My Lord,

Having been reported by Edward Hardy, who is a Candidate for the situation of Letter-Carrier, to certify to your Lordship my knowledge of his character, I beg to state that he lived in my service for a year and four months, terminating about four months ago, and, during that period, conducted himself with honesty, sobriety, and steadiness.

I have the honor to be,

My Lord

To His Majesty's  
the Earl of Liverpool.

Your Lordship's most Obedient Servant
