Com of reception
Dear Sirs

My regrets that
I cannot be present
at the reception of
Mr. Charles Pratt shall
be accompanied with
an expression as to my
high estimate of him
as a fellow citizen.
The munificent sums
he has given for edu-
cational purposes
will as an example
have wide influence.

His name will forever
be associated with
the best interests of
our city. May he have
long life, & appreciate
something of the gratitude
we all feel toward
him.

Yours &c
T. De Witt Tatmage
