

have already put the founder
of the town of Liberal to great
trouble in connection with
these contradictions I have to
notify you that unless I at once
receive an assurance that the
paragraph shall be withdrawn
and apologised for I shall transmit
the papers to Mr. Walser's legal
representatives with a view to
immediate proceedings against
you for the shockingly gross and
utterly unfounded libel which
you are reckless enough to print

You print as from the Burlington
Free Press in the Church Evangelist
of Decr 12th a paragraph headed
"A Town of Atheists in America".—
as from beginning to end it is a
tissue of absolute falsehoods.— as
I have had to contradict it over
and over again in this country.—
as I have reason to believe
that Mr. Sprifson has investigated
& having investigated has withdrawn
a similar statement— and as I
