Dear Sir

I believe that the Master
of St. John's has spoken to you in
my behalf about my admission as
a Graduate in Divinity.
He informs me that in order to
take the Degree of B.D. it would
be necessary to ~~take~~ keep an Act
and to preach a Sermon, and

that, after taking the Degree of B.D.,
I might, when a little time had
elapsed, proceed to the Degree of
D.D.

He also tells me that for the
Act a Latin thesis is, he thinks,
required, and an English Essay
before admission to the Degree of
D.D.

May I enquire whether this infor-
mation is correct, and, if so,

on what subjects you would wish me to
write in the two cases?

Perhaps you will be so kind as to
supply me with any further
particulars about the method of
procedure which it is desirable
that I should know.

Believe me, dear Sir,

Yours truly,

H. W. Hofs

The Reverend

Professor Westcott D.D.
