

New Haven, Aug. 1. 1884.

I have known Mr Douglass
for many years and have al-
ways regarded him as an
honest & exemplary man, and
I believe such is the opinion
of all who know him here.

His moral and religious char-
acter and profession has not,
so far as I know, been a mat-
ter of question.

Theodore T. Woolsey
Pres of Yale College.
