My dear Sir

Some time ago, in answer to my requesting two casts of my Bust to be prepared for two friends, ~~of whom~~ you told me that they should be sent in a short time.

As one of the parties at least, had not received that intended for him, I trouble you with this, lest the circumstance, in your press of more important engagements, may have escaped your memory. I beg to repeat that I will be obliged to you as soon as convenient to forward one cast to Edward Clendyng Etow - & another to A. Rice Esq New Coll Oxford - for this, <sup>last mentioned</sup> as well as for the carriage of it, which I

Must request you to be so obliging  
as pay for me - I shall desire my  
daughter (who is in the neighbourhood  
of London, & will be in Town in  
Spring) to call upon you & discharge  
the debt. With many thanks for  
various attentions believe me  
dear Sir very sincerely yours

W. Woodcock.

My kind regards to Mrs Chantry  
who I trust are better than when I  
last heard from you.

Mr Duillinan some time ago men-  
tioned that a Monument would  
shortly be sent to Grandmere from  
your warehouse - I take this  
occasion to say that it has  
not arrived.
