My dear Friend

Pray prepare one of my
Busto for Mr Barron Field, who
will be in town in Spring - and will
receive and pay you for it. He
is going out to Cayuga as Advocate
Tiscal - and wishes to take it along
with me, being one of my most
ardent admirers. He is also a
particular friend of Mr Charles
Lamb. I hope my Nephew has
received his at Oxford -

As I have an opportunity of writing
this to London without putting you to the
expense of Postage I may without scruple
include with best wishes for you and
yours at the coming Christmas -

Does the Scotch collection go on?
We are faithfully
yours

Wm Lloyd Garrison

turn over

I have received directions for
the Book, which I mentioned to you some time
since to be sent to Edinburgh, "to be addressed
to H. S. Wilson Esq, Royal Bank, Edin. It should
be sent by Sea to Leith in the first place -
& the sooner the better."

Mrs W. begs to join her own
good wishes to those of her husband for the
health & happiness of Mr G. C. & his family.
