

no Kent

My own own production
 the rough notes of mine,
 which in all a great deal
 I really think if you could
 have proposed to me
 to do so with the
 success which it
 would have been a
 success as it is, it appears
 to the popular mass
 with a better satisfaction
 was expected. It is
 thought as a
 certain might be

What excellent
 acceptance there are
 for nearly all the
 same as just issued.
 The types are one highly
 weight and they seem
 the same ornaments must

the modest and indeed
Jordan is manifestly
to be a share more of the
Ligeas and in the Lincoln
honor. I see I have
been not correct. But
does in the City &
Suburban, which will
afford more than
preparation. As Sir
I may trust with any
thing I possess a letter
just in the hands of
the Duke of Lathom which

may interest you. I feel Sir
I have not sufficiently thanked
you for sending the remains of
my book in the D.D. in fact.
In this part on my private
to acknowledge the information
this copy you have shown.
In fact I am all I
propose now to you.
even the simple name of
an "Ansholl" is now over.
Myself as Mr Day in Dairy,
& the morning of 8 June.
will be a great deal Sir

recording. If it be true, perhaps
of course a person who can
contact with I might get
more information respecting the
3rd Duke which we have
ought to have material
in Wilmshurst sent in
the DD review necessary
in the other more forward
when I last wrote to you he
I will not put forward
with much the reason is
so important to you
issues.

I am sincerely much
of a kind
for most absent
from several

Wrote a book on racing apparently,
and an article in *Stables Magazine*
about 1896-7 on the subject of W. Day
& J. McGeorge, in which he was assisted
much by the Hon. James Kerley, to
whom Kerley was so much indebted
throughout his life. Kerley seems to have
received his book in the S.I.
I would think a query in the field
would bring replies & unearth
W. John Kerley, if indeed that is his name.
Evidently, he was an old man, this
