with managers. — I should
have done the work myself
years ago had I not been
otherwise engaged. In
conjunction with the W. John
Chenfort I did dramatize
"God's Providence House" for
Miss Marriott. It was under-
lined in Sadler's Wells bills
and two new scenes were wanted,
but she went to America and
it was not produced there. If
elsewhere I have no knowledge.
Awaiting reply.

Yours, dear Sir

Yours faithfully

Dear Sir,

I am not sure that I
have read your name or address
correctly, so that therefore this
may not go astray. As ~~success~~
of successful defence is more
profitable than the usual
fellow which it is taken
I should like to know what
you have to propose, and
what are your qualifications
for the task, or your interest
