Upper Westbromwich Works, W.
June 2^d 69

My dear Mrs Lawrence,

Pray forgive my apparent inatten-
-tion to your letter and its kind
offer to call on me: I have been in
the thick of engagements since my
return. If you please to sacrifice so
much time, I would appoint next
Saturday, - say at 1^o clock, - for the
redemption of your promise.

Ever truly yours

Alfred Browning.
