

TELEGRAMS,
ROUNDHAY.

LADYWELL,
ROUNDHAY,
LEEDS.

Princess Adolphus
of Teck writes
to say she regrets
that she cannot
comply with the
request made
to her but she
thinks the details

Teck

of her home life
would not of
much interest to
the general public,
as she will be
in London so
little this year
it will not

be possible for her
to grant the
editress an interview.
