

Earl Grey Sec. Cd.

22

July 31/63

Dear Mr Majoribanks

You must
have thought me very rude for not
having sooner answered your letter of
the 18th but it has only reached
me this evening as I had left London
when you sent it to my house, &
by some mistake it was not forward-
ed to me till now. — Of course

I should have hastened to comply
with your request. —

Believe me
