Sir

I must trouble you
with one line to thank
you for your goodness in
giving me an abstract
of the number of cattle,
which was in the course
of last year imported into
the Port of Bristol from
Ireland. It is a most esti-

=wishing quantity, and
tho' I find so large an
impopulation may be
of some use to the City
of Bristol, yet it can not
be so great an assistance to
the Farmers in the Neigh-
bourhood.

I am Sir
your most Obedt. Servant
Beveridge
