

Dear Sir

I earnestly request your kindly return of Post  
And me one hundred of the money which is still  
due to me on the raised sum - I hope to repay it  
very shortly to Mr. Neftoshin for the specific purpose  
to which it ought to be applied - but at the moment  
if you will save me from great distress omit not  
to grant me this favor -

I shall be in  
terrible anxiety till I receive your answer  
which I trust will be favorable or I know not  
what will ensue. -

Yours truly  
Charlotte Maria
