

Islington. Aug. 8. 1835

Dear Sir

I dined with my friend Knight last evening - and it gives me much pleasure to state that he consents to give up to you Bryan's Copy of Fox's Martyrs - at the price for which I purchased it. - The Book is still at Mr. Evans's - which you may receive upon application - and I sincerely congratulate you on the possession of such a treasure. -

Herewith you will receive the promised Catalogue of the Buchan Papers - a Catalogue of no ordinary interest - which upon perusal - you will, I think, acknowledge that the sum I ask for the Series

is very trifling in comparison with the interesting matter contained in the Letter.

I have arranged the whole into Chronologic order, for Binding.

I shall feel myself personally obliged by your attendance at the next Monthly Meeting in Dinsbury Circus - on Thursday next - because - you were present when the Board of Managers passed the Resolution to vote me 50 £. for making the Catalogue of the Library - and which, I am informed, will be addressed to on that day -

If you will favour me with a call - the Beecher Papers - are ready for your inspection - I remain, dear Sir

your very obliged & faithful Servant

William Upcott.
