

Mr

I was favored with  
Your Communication of  
27<sup>th</sup> May, - but regret I  
am unable to meet the  
views of your friend as I  
do not undertake any  
Publications that are  
not connected with the  
Walter Scott family -  
I have some years  
devoted myself entirely  
to the works of Mr Walter  
Scott.

In these circumstances

Yours

will see that your friend  
should apply to some  
more miscellaneous publisher.  
at the same time allow  
me to say that the  
present times are ill  
fitted for such a venture

I remain

Yours most truly

Randall
