My dear Bicknell

I was greatly as
well as truly disappointed
to have been able
to come down to your &
your daughter's Garden Party
today -

I am doing heavily
work at the hat: factory

F. W. Bunker

now - getting all the
pictures rearranged,
besides other things - and
I was unable to leave it
today until between six
or seven o'clock and then
greatly tired - and I
had letters to get through
this evening which there
was no time to write during

the week -

I assure you I most
unwillingly forewent the pleasure
& recreation of getting into
the fresh air amongst friends -

Yours very sincerely

Jed W. Denton -

for Miss Faneit - I request
that that part of it may be sent
to herself - as she wishes it -

The remainder I shall send
in a few days - as I wish to
settle it - & am

Very faithfully yours
J. R. M. Johnston

Dear Sir
I was able yesterday
to dispatch the picture about
which I had written to you -
& hope it will reach you on
Monday - or early on Tuesday
morning - when you will
oblige me by sending it in
to the Royal Academy -

Ms. A. 1. 1. 1. 1.
Ms. A. 1. 1. 1. 1.
Ms. A. 1. 1. 1. 1.

I trust this may arrive before
the picture - as it might be
advantageous to know that the
frame is screwed to the lid of
the case - & that the lid is
the side without the direction -
for as nails, not screws, have been
used, the insertion of an instrument
to open the lid might damage the
frame if done incautiously.

I enclose a letter to the

Secretary - which you will be so kind
as to send in along with the drawing
or drawings - & also a label
for the back of the large drawing
- which I had not time to put on -

I hope to have the pleasure
of seeing you in London some time
during the summer -

I wish to say that your cashier
in sending me the account some
time since put down the items
