

Alpha class 1807-1870 Eicher Parker David Cox

Sir

Having been favored  
by your notice of  
an intended Exhibition  
at the Crystal Palace  
I am desirous of  
knowing whether  
Articles intended for  
Exhibition are to be  
forwarded by the party  
sending them or  
whether the Company  
Hercy Mayford Esq

A Clerk

undertakes the collecting.

I should also like to know whether (after a given time, if not sold) they can be returned to the Artists; and if so returned, whether any expense would be incurred. Probably your announcement of further details

will save you the trouble of replying to the above questions which I trust you will excuse.

I remain

Sir

Yours obdly,

Alfred Clint
