Dear Dad

Send me little post card to say  
how you manage is - I tried yesterday &  
I tried to try to get across & see  
for myself. but yesterday I

was too weak for the journey &  
to-day was raining, & I must keep  
in doors on all wet days -

Tomorrow I cannot tell about - it  
may be snowing or sleeting - but  
I do want to know. Give her  
my love & say it was
