My dear Barbara,

I am so thankful for the enlarged copy of the "Studio" photograph you took - it is most precious to me. Holleyer sent me a copy on Friday evening, but I have been too unwell to write & thank you before.

I do so now, with all my heart. I don't know what conditions you have made with Holleyer - many peo-

ple may want  
to have it — will  
they have to get permission  
from you?

With loving thanks  
affectionately yours  
G. Burne-Jones

May I get one to give  
to the Curator of the  
Birmingham Gallery  
for which he painted  
the Star of Bethlehem?
