My dear Sir,

As I have
heard nothing from your
Art Union since my
little picture was sold
to them 6 months ago,
perhaps you can tell
me when they settle
their accounts? Of
course I don't want the
money sooner than their
proper term of payment,
but it has just struck me

also
to Carlyle etc.

as being a long time between
the time of purchase &
the time of settlement

I would not trouble
you with this, but I
don't know what their
address or who their
Secretary is

Is there anything
stirring in the court
of Glasgow? I am
glad to say that I am
very full of work.

Believe me
Yours faithfully
R. Henderson
