My dear Sir

I am very sorry
that you have not had
the impression of the
monument. I have just
heard from Mr. Loane,
that he is agreeable to
it - will you send for
it - or shall I bring it
to you? - I hope the
plate will now soon
come to a close.

I thought you would
have allowed me to
have the "Cora". I am
so sorry - do you still
wish me to make a
facsimile if it?

Yours faithfully,
Chas. Lewis

My dear Sir,

In consequence
of having yesterday
seen in Mr. S. Saunders
's Studio the
very lovely Picture
of the "Good Shepherd",
I have again to inform
you that I am not
losing a moment in
the completion of
Mr. Lewis' plate,
which, as I before
told you, is in a
very forward state &
has not stood still
since I have had it.
I have quite forgotten

Mr. S's bluff manner,
but could wish he
had a little more
of "la politesse," as
our neighbors call
it.

I only wish to explain
to you both, that I
am not at all to
blame in the delay,
as you both know;
I now wish
to throw the blame
upon your's
very faithfully,
I am, Sir,
Chas. Lewis.

J. Heath Esq.
