Prescot,  
Lancashire

13 July 1877.

Dear Sir,  
They only forwarded  
your note from St. Russell  
St.

I shall be back  
in town on Tuesday or  
Wednesday.

The Book for  
which the drawings referred  
to are made is about

Genoa & the Riviera &  
North Apennines; but  
I do not know what  
the exact title of the  
work will be.

I thought  
the page of letterpress  
was to be about  $5\frac{3}{4}$   
x 4 inches, &  
that the full page  
drawings were to

be expanded as large  
as could be allowed.

Yours truly  
J. Aldrich
