Dear Sir,

If you have not  
already written to me & yet  
wish to have the set of drawings  
in the Institute, may I ask  
you to do me the favour of  
telegraphing before 10 o'clock  
tomorrow morning, Wednesday?

Should I not hear from you  
before that time I shall con-  
clude that you do not wish  
to have the drawings & I

shall send the price  
in response to another  
application which I have  
just received.

Yours truly

Randolph
