Dear Sir,

The pictures in the
Institute were sold on Wed-
nesday. As you seem, from
a paragraph in your last letter,
somewhat interested in my work,
if you ever find yourself in
this neighbourhood & care to
call, I shall be happy to
show you a number of the
original drawings of ~~the~~ en-
gravings which have appeared

in the Graphic & in various
Books — some in black &
white & some in colour

Yours very truly
R. Ardcoat.
