

Pedgett Place  
 Saty 20<sup>th</sup> Feb. 1832

My Dear Fred

What has conveyed  
 to me your objection, yours  
 only, to my being with you  
 this season - those objections  
 of course end my wish to  
 be there - I shall however  
 with permission, visit you  
 and hunt for before the curtain.

With best regards to Mrs. G.  
 I am  
 Yrs. W. S. C. C. H.  
 I already told of it to you.
