My dear Mr. Yates

I have you favor of the
 2nd inst & am most glad
 to hear of the abundant success
 of your tour. Yet, what an
 awful winter you have faced!
 It has laid us natives on our
 backs - (literally with me -
 for I write this cowed, &
 steering by the fire.)

I want you to take a copy
 of one or two of my little
 books, as none are left
 me, by Mr. Sinton to
 send them to your hotel.

Hoping to see you some day
 again, & wishing you bon
 voyage - whichever way you
 may steer, I am very truly
 Dear G. Mitchell

Adquard: 1st Feb -

You must do me the favor of dropping me one
 of your photographs?
