could always go get
anything I wanted
nearly. But he did not
keep honey any more
they used to give me
money and I would go
over to the other store
and buy candy my
father had lots of friends
such as Mr. Gear & Terry

 for me But doctor
 darrin kept at work
 with me and by
 mopping my mouth
 out with whiskey
 kept me alive and
 of pulled through
 don't know whether
 if you pull
 pulled through
 or not unless
 it helps but
 the fact that
 darrin washed my
 mouth out with
 whiskey & soon

Got well though
 and was as mean
 as peer I had ever
 ab better and whoppy
 enough but I did
 not hold any more
 ill's I was always
 that is when I was
 little very bad
 and used to fight
 when I was about
 till Mrs Rogers
 moved into the
 neighborhood and
 my cousin Lou died
 of sand and I remem-
 ber to the burner
 Mrs Jenny and she
 told school and
 of thought when I
 got her enough to

To school at
 would be nearly
 grown & thought
 anyone going to
 school was a rebel
 my father bormed a
 son and kept same
 hands by the
 names ab heist cab
 and Grant shaw and
 Nuff Caleman my
 father had been
 sheriff and was
 Clergy well studied
 in law and was at
 that time magistrate
 and in fact was
 either magistrate
 or chief Justice in
 that time with the
 election ab bar

years used to play
 around the buggy
 or wood house as
 we afterwards called
 and was fond of making
 fires and with
 Gilbert Barlow
 we were always
 planning all sorts
 of things as I
 always was very
 imaginative nature
 and used it to a but
 I think there was
 a small creek that
 run through our
 block the boys used
 to laugh at me for
 wearing dresses
 and I was so when
 I got my pants on
 I remember how

69

Pants it was blue
jeans pants and it
was very plain ab
them my mother had
a Bible stories and
I used to pass the
time away looking
at that I always
longed for Christmas
to come and it seems
as if it would never
come when I was
in years old
my brother Selma
was born and we
went to Cousin
Lark's milk house
myrtle who was
staying at our
house at this time I
call Cousin myrtle

As well we might
 she stayed with
 us nine months
 one time and three
 months I remember
 the best time she
 came to was Jan to
 bed that night and
 the next morning I
 got her so
 got to call her
 my ather cousin
 Jennie Reeves also
 stayed with us
 she called her too
 I stayed an hour at
 picture until I was
 past my 20th
 birthday when I started
 to school it was
 somewhere I forget this
 time that happened

About the store business
 I started at the spring
 school I never miss
 a day of school it
 pretty well and as
 it was a very young
 little fellow I got in
 a fight and was with
 harrigan Randolph who
 was always very hot
 as it seemed to me
 I used to go down to the
 store and get crackers
 any candy and galls
 there but we had some
 of the one bullet which
 I'll I had at least
 and I don't about
 this time miss
 Jennie Lambell
 mail about the

neighborhood to be used
 did not know hardly
 to hot to do without
 I'm very glad to play
 with him as long
 that I had to see him
 at times I heard
 by the name of Zeller
 in my way and the
 little girl Mimi
 came up to our
 house and get back
 us there and I am
 that time as I was
 nearly a year
 up there in the
 with the boys too
 but they were very
 tough and I really
 didn't want to
 associate with them

I used to dearly
 love to go down
 to Uncle Asa to see
 the old one at my
 Charles's Remedy
 es when Hermann
 was born the
 wife where Mrs
 Agnes lived at
 the time this is when
 my rate of blood
 to God down the road
 the man's get in
 the survey of it in
 the shed I had
 the same man
 happy day his way
 But they made
 down by the old
 Blacksmith shop

on muskiki street
 Kamin to yards back
 road they stayed
 there three or four
 years and little
 Marie was born
 they stayed there
 a while and sunk
 with standard
 maps there with
 his children, Mattie
 and Louis ~~and~~ Herbert
 being born after
 they moved to Pasque
 usually cousin
 Lulah Pals health
 got bad and they moved
 to Lacenter where
 they died in 1914
 Marie died and go
 to see them and in 1919
