Dear Mr Rees

I return the proof
with trivial amendments

In my copy of "The
~~to~~ Warden" ~~grantly~~ it is
grantly not grantly

So I have corrected
accordingly. But if
there is good authority
for the "e" of course it
sh^d go in.

The headings steen

excellent - ~~except~~ the
first vol: makes a
little too much of the
affair - so I have
ventured to amend.

The opening is ~~is~~ just
right & has one or two
changes, improvements

Pray thank Sir
Edmund - but I shall
no doubt see him before
long

Yours faithfully
Hugh Cecil
