

2 CONNAUGHT PLACE,  
W.

June 6 1857

Dear Sir Baldwin Leighton

I am much encouraged

by your kind note. The

system of humbug hypocrisy  
& deceit maintained at

The Admiralty & War Office

must be exposed to the

people who will soon make

an end of it. I am convinced

that the working classes are  
getting deeply interested in this

question of expenditure

Yours truly

Samuel J. Church
