Dear Sir Baldwin Lighton

I have been so much occupied

the last few days that I regret

that your letter of the 23rd ult^o

has not been answered sooner.

I am leaving town today &

I suppose you have already

gone so we shall have no

opportunity for conversation

on Welsh matters. I would
however be very glad to know
your views as to the nature
of the policy we should adopt
in Church tithe and other
Welsh interests;

Yours truly
Oandryph J Churchill
