Dear Jim,

This is an acceptance of Frank Groves proposition to install style C color tile ties 12" by 12" in our white Pool Room for the sum of \$325.00. I presume Frank will want to send us a proposal that may be attached to our formal purchase order covering same.

Before he places his order for the tile, ask him to send us a few size samples of C 733, C 705 and C 710 from which we may make our final selection. Please also have Frank advise in his proposal when he thinks it will be possible to execute this job.

Yours very respectfully,

Leland S. Becker, Superintendent
Building & Grounds Dept.
