COMMENCEMENT WEEK FESTIVITIES TO BEGIN AT UNIVERSITY ON JUNE 10

Club Luncheons, Dinners and Teas to Feature Program

225 SENIORS GRADUATE

Dr. J. J. Tigert, Former U. K. Professor to Deliver Graduation Address

Commencement season in Lexington will be opened formally Sunday, June 3, when baccalaureate sermons will be preached in the evening for the graduating classes of Hamilton College, the College of the Bible and Transylvania College.

Dr. J. J. Tigert, United States Commissioner of Education, and former professor of psychology at the University of Kentucky, will deliver the commencement address to the graduating class of the institution on the lawn of Paterson Hall, Wednesday morning, June 13. Dr. Tigert's subject will be "The Value of Education." In case of rain the commencement exercises will be held in the college chapel.

The baccalaureate address will be delivered by Dr. George Ragland, pastor of the First Baptist Church, Sunday afternoon, June 10, at 3:30 o'clock. Dr. F. L. McVey will preside.

Class day exercises will be held on Monday June 10, beginning at 10 o'clock. In the afternoon from 2 to 4 o'clock a tea will be given in the studios in White Hall. The second annual gridiron dinner given by the Alpha Delta Sigma fraternity will be

STROLLERS ELECT NEW OFFICERS FOR 1923-24

Committees Appointed to Select Plays For Next Year

At the closing meeting of the Strollers, held in the Stroller room, Wednesday afternoon, May 23, the officers for the ensuing year were elected and installed. Those who were chosen to fill the places of the heads of the dramatic organization are Dan Morse, president; Earl Maxwell Heavrin, director; William Blanton, business manager; Robert Mitchell, treasurer; Henry Harper, stage-manager, and Betty Barbour, secretary.

At the meeting the business of the organization was discussed and a financial report was made, followed by instructions to the new officers by the retiring director, John Burks. The organization will be conducted on a different plan next year and a few minor changes in the constitution provide for different management of the club.

Three president, immediately upon his installation appointed a committee to read plays for a selection for the 1924 production. This committee is composed of Frances Smith, Dan Morse and Earl Maxwell Heavrin.

The retiring officers who have been in charge of the work and government of the Strollers for this year are Earl Maxwell Heavrin, president; John Burks, director; John Albright, business manager; Gilbert Smith, stage-manager; Kitty Conroy, secretary.

The University of Kentucky is to be congratulated upon the fine spirit of co-operation with the "Greater Kentucky Movement," shown by the students of the University in the recent stadium drive, with the same spirit shown in the Alumni Association at large. The general campaign was necessarily a success.

From my personal knowledge I know that many students have given to this fund sacrificially.

If those who have so given endeavor to spread this fine spirit of loyalty upon their return to their homes, the campaign will be greatly assisted, the alumni of the University welded into a working whole and Kentucky will be honored.

Head Dept. Physics.

HISTORICAL AND TROPHY ROOM FEATURE OF NEW BASKETBALL BUILDING

Captain C. C. Calhoun, Chairman of Stadium Campaign Makes Statement

1ST SUBSCRIPTION MADE

Alex Bonnyman Gives \$1,000; First Secured From Alumni.

Captain C. C. Calhoun, general chairman of the campaign for the new stadium, basketball auditorium, Patterson Memorial and student loan fund, feels that one of the most important features of the campaign is the historical and trophy room which will be incorporated in the new basketball auditorium.

In addition to a complete record of the campaign it will include names of all those who subscribed to the fund showing the amounts that they subscribed, photographs of members of all the athletic teams, photographs of all those winning honors in football and other sports, photographs of all prominent alumni who have attained honors either in school or after leaving.

This will be a room to which every alumnus of the University may return to pass an enjoyable hour and experience many happy reminiscences of the legend of the University and feats accomplished during their time spent in college.

ALEX BONNYMAN, FIRST ALUMNUS TO SUBSCRIBE

"Please enter my subscription for \$1,000," signed Alex Bonnyman.

This telegram was received from Mr. Bonnyman, who is an alumnus of the University of Kentucky and is now doing business as a coal operator at Knoxville, Tenn. It shows very plainly the interest which is being taken in the present drive to raise \$200,000 for the new stadium, basketball building, Patterson Memorial and student loan fund.

This subscription was entirely unsolicited and Mr. Bonnyman will have the honor of being the first alumnus to subscribe to the campaign. His name will be included among those donors of gifts of \$1,000 and more, whose names will be inscribed on the marble tablet to be placed in the entrance arch of the new stadium. These donors will be known as the founders, and it is hoped that more than fifty

(Continued on Page 4)

The students and faculty of the University of Kentucky made a remarkable demonstration of their loyalty to the University and to the idea of the stadium when they went over the top by subscribing \$36,000. If the Alumni and former students of the University do as well the amount required for the stadium and other enterprises will be more than subscribed and additional money can be used for enlarging the stadium plan. I look forward with confidence to the accomplishment of this result.

Signed:
FRANK L. McVEY,
President.

By subscribing \$11,000 more than the quota of \$25,000 assigned to University of Kentucky students to be applied to the building of a basketball auditorium and stadium, the fine spirit and loyalty of "our boys and girls" was never more admirably exemplified.

If they had not taken the lead in this laudable enterprise, and "run away with the bit in their teeth," so to speak, this great campaign would have doubtless resulted in failure.

I have lived and worked among them for nine years, and I have come to the conclusion, that mentally, morally, physically and intellectually, they are not surpassed by any young men or young women on the continent. Their prompt response to this campaign demand is another expression of real fightin' blood.

ENOCH GREHAN,
Head Dept. Journalism.

STUDENT PLAYERS GIVE OUTDOOR PERFORMANCE

'Midsummer Night's Dream' Presented in Natural Amphitheatre on Campus

"Mid-Summer Night's Dream" was given on the campus of the University Tuesday night by the Dramatic Production Class under the direction of Professor Fleischman, assisted by Professor Hincks. The play had been scheduled for Saturday night, but on account of rain had to be postponed until Tuesday night.

The performance was given on a temporary stage constructed in a hollow near the Agriculture Building. The hill-side formed a beautiful natural amphitheatre where chairs were placed to seat the audience of nearly 3,000. Lights were brought from Neville Hall and were successfully used. The stage was artistically decorated with flowers and shrubbery.

This was the first outdoor production ever given by the Little Theatre and from the enthusiastic praises and hearty applause of the audience the entire play seemed to be the great success that had been anticipated. It is hoped that this will be the first of a series of such plays and may the custom be kept up until it becomes a part of the regular college program.

The cast was as follows:
Theseus, Duke of Athens—Wm. Hickerson.

Egeus, father to Hermia—Virgil Vance
Lysander betrothed to Hermia—Dwight Bicknell.

Demetrius, in love with Hermia—George Cavenaugh.

Philstrate, master of revels to Theseus—J. N. Snyder.

Hippolyta, Queen of the Amazons, betrothed to Theseus—Mildred McCarty.

Hermia, daughter to Egeus, in love with Lysander—Martha Reed.

Helena, in love with Demetrius—Frances Price.

The Fairies, Children from Maxwell Street School:
Oberon, King of the Fairies—Burl McCarty.

Titania, Queen of the Fairies—Margaret Humphreys.

SENIORS HOLD ANNUAL 'MOVING DAY' EXERCISES IN CHAPEL TUESDAY

Clever Impersonations of Faculty Members Given By Students

"PROF. FARQUHAR" LEADS

Classes Move Into Places Left By Departing Members

The Seniors celebrated the traditional "moving day" Tuesday in chapel which day is all the name implies, a day when the Seniors move from their accustomed places and dare defy the dignity of their instructors and "take off" the most imitable members of the faculty.

Five members of the faculty entered led by John Burks who presided over the meeting. With his red hair and with the twitches of his eyebrows, we thought he was, and when he translated from the French a few extracts on the inferiority of woman to man, we knew he was none other than Professor Farquhar.

"Professor Farquhar" introduced "Miss Jewell" who was Beulah Stillwell dressed in a familiar black cape and brown hat with a great armful of papers. In her address to the Freshmen she said, "We can't have any more Yellow Streaks. Doctor McVey said, 'Who gave them permission to have such a paper,' and I said I did. Freshmen, you must study, but you are so lovely and so sweet, I can't scold you."

Miss Margie, represented by Kitty Conroy, was taken off in a clever man-

CADET OFFICERS NAMED AT ANNUAL FIELD DAY

Cups Presented to Prize Company; Individual Awards Made

The cadet officers for the next year were announced at the annual field day of the R. O. T. C. Unit which was held on Stoll Field Tuesday. The officers will be Roscoe Cross, Cadet Lieutenant Colonel and Battalion Commander, J. H. Layman, Cadet Major, and T. G. Foster, Adjutant. The captains of the various companies will be L. H. Truitt, Co. A, C. W. Fitch, Co. B, C. M. Spillman, Co. B, and J. E. Byers, Co. D.

The program was interestingly and entertainingly arranged and included presentation of individual cups and medals, exhibitions of tent pitching and a demonstration of machine gun and trench mortar fire.

The university cup for the best drilled company was presented to company A, after which the individual cups were presented to the students making the highest general average for the school year. Individual cups were presented to the following cadets together with an additional token presented by the Kentucky Unit of the American Legion: J. E. Kilgus, Senior; R. Cross, Junior; J. R. McClure, Sophomore, and J. Brown, Freshman.

The individual competitive drill was

Alumni Notes

Editor—Alumni Secretary

Launch Greater Kentucky Movement

The formal inauguration of the "Greater Kentucky" movement will be the principal event of Commencement Week, especially Alumni Day, June 12. Workers in the four-fold campaign, which will have its public beginning June 18, are busy with advance gifts which will be announced at one of the alumni meetings June 12. The Student Loan, Patterson Memorial, Basketball Building and Stadium are popular appeals to alumni and citizens. Organization has been completed in three-score counties of Kentucky and in all alumni clubs outside the state. In half these groups there are representatives of the citizens-at-large who expect to take an active part. Indications have been received of some very large bequests to come to the University from alumni and citizens. In the last twelve months gifts have passed the \$300,000 mark, not in-

cluding a 99-year lease on 15,000 acres in Eastern Kentucky provided by a Cincinnati capitalist, not an alumnus, for demonstration of agricultural enterprises and other educational work. With the great forward strides being made now by former students of the University along business lines remembrance of Alma Mater may be expected in the endowment of various chairs, provision of funds for buildings, for student help and to encourage research.

State institutions throughout the country are sharing with privately endowed colleges and universities in bequests of alumni and friends. Until the last year such a thing had been unknown to Kentucky. A new era of service and growth is the expectancy of officials, faculty and students of the University as well as alumni.

Betwixt Us

"I expect to be in Kentucky in a few days and hope to attend the Reserve Officers Convention at Lexington. At the present time I am located in Altoona, Pa., and want my Kernel sent to me here."—David E. Kahn ex-14, care Penn-Tenn Fuel Corporation, 1435 Eleventh Avenue.

Douglas Graham ex-'02* is farming near Pembroke, Ky.

Nan Hornsby, ex-'23, is now living at Eminence, Ky.

Ben M. Brigman ex-'03, is professor of engineering and drawing, and advisor of men in the public schools of Louisville, Ky.

Lucien Beckner ex-'97, who is associate chairman of Clark county in the drive for the stadium and allied interests, was a visitor on the campus last week. Marie Beckner, student in Arts and Sciences College, University of Kentucky, is a daughter of Mr. Beckner. Their home is at Winchester, Ky.

Edward Lee Rogers, living at 612 Elmere Park, Lexington, Ky., is an active member of the Alumni Association.

Henry E. Curtis, life member of the Alumni Association, is always active in behalf of his Alma Mater. In addition to his duties as head of the Fertilizer Division, he is cashier of the Experiment Station and treasurer of the Athletic Council. He is living at 355 Linden Walk.

Miss Margaret I. King, has been librarian at the University of Kentucky for several years. Her record as an active member of the Alumni Association is unbroken. She lives at 22 Limestone St., Lexington, Ky.

Another active alumnus on the faculty of the Experiment station is Geo. Roberts, who received his B. S. degree in '99 and M. S. in 01. He is head of the Department of Agronomy. Residence address 340 Transylvania Park, Lexington.

Calvin Evans Hardin has been practicing law in Leesville, La., for many years, and so far as our records show, has been nearly always on the active list of the Association. His office is Room 1401 Court House.

Frank G. Cutler received his B. M. E. degree in '01 and M. E. '04. From

1901 until April 1907, he was with the Illinois Steel Company at Gary, Ind. He then entered the employ of the Tennessee Coal, Iron and Railway Company and is now chief of the Bureau of Steam Engineering there. He married Miss B. F. Duffy in February, 1909. They live at 2651 Shadyside, Ensley, Ala.

Dr. John W. Gilbert has practiced medicine at Lawrenceburg, Ky., for several years. He is an active member of the Alumni Association, his record showing no lapse except during the period of the World War.

Walter Pearson Kelley, who for a while was chemist in government service in Hawaii, has been Professor of Agricultural Chemistry, Graduate School of Tropical Agriculture and Citrus Experiment Station of the University of California, since 1914. His address is 1415 W. 12th St., Riverside, Calif.

Clarence Walter Ham received his B. M. E. degree at the University of Kentucky in 1905 and his M. E. degree at Cornell University in 1908, where he was an instructor in mechanical engineering. He was assistant professor of machine design at Cornell from 1915 to 1917 and then was granted a year's leave of absence for work on special problems of design at Gleason Works, Rochester, N. Y. Since 1920 he has been professor of machine design at the University of Illinois, Urbana, Ill. He is one of the joint authors of Marks Mechanical Engineers' Handbook, and is a well-known authority on technical subjects.

Another engineering graduate of the class of '05 who pursued the teaching profession for some time, is Keith Frazee Adamson, who was instructor in mechanical engineering at the University of Pennsylvania until 1914. After a few months in industrial work he accepted the assistant professorship of mechanical engineering at Case School of Applied Science, Cleveland, Ohio. He left there to enter service during the World War and served as Major of Infantry. He is now Major, Ordnance Department, U. S. A., Washington, D. C. His address is 1316 New Hampshire Ave., N. W.

H. Ray Moore entered the employ of the Western Electric Company soon after graduating and is now telephone engineer at their Hawthorne, Chicago plant. He lives in Riverside, Ill., p. o. box 421.

"Commencement time is now approaching, and I wish to extend to the alumni who come from all corners—the earth to their Alma Mater at this Commencement season my heartiest greetings, but especially do I extend

greetings to the members of the class of 1908. I wish everyone a most delightful stay and a prosperous year ahead."—A. O. Bowden, President, The New Mexico State Teachers' College, Silver City, New Mexico.

Newton Stout Taylor has been with the Westinghouse Electric & Manufacturing Company practically ever since he graduated and since 1920 has been acting manager of the Switchboard section of their East Pittsburgh plant. He is living at 927 North Ave., Wilkensburg, Pa.

The record of Charles White as an active member of the Alumni Association is an unbroken one so far as our records show, and the check for dues has arrived invariably between May 15 and June 15 each year. He has been with the Western Electric Company ever since graduating and is now telephone engineer at the New York plant, 463 West Street. Residence address 425 North Grove Street, East Orange, N. J.

For a number of years after graduating, Chester A. Kuebler was in the engineering department of the Westinghouse Electric and Manufacturing Co. Since 1920 he has been vice president and general sales manager of the Duro Pump and Manufacturing Co., Dayton, O. He married Miss Evelyn M. Huber October 11, 1913. They live at 420 Volusia Avenue.

Soon after graduating Theodore Slade entered the employ of the Kansas Gas & Electric Company, at Wichita, Kans. In 1914 he was made assistant to the general manager and since 1920 he has been the district manager with headquarters at Wichita. He has gathered around him quite a colony of U. K. engineers.

James E. Mastin received his B. S. in Agriculture in 1911 and his M. S. in 1913. For a while he was chemist in charge of the food laboratory, Experiment Station, Agricultural College of Mississippi. In 1916 he entered the employ of the E. I. du Pont de Nemours Company, at Wilmington, Del. Since 1919 he has been with the Ward Baking Company and is now assistant chief chemist at the plant in New York City. His residence address is 24 W. 83rd street.

Herbert L. Nagel was for a while draftsman with the department of civil engineering, City of Cincinnati. In 1916 he entered the engineering department of the City of Akron and remained there until the beginning of the World War. After his discharge he returned to Akron as design engineer, Bureau of Water Works Improvement. He is now in San Francisco, Calif., address 2320 Funston avenue. Except for one year during the war, his record shows a clean slate, as an active alumnus.

Another member of the class of '12 whose dues have been received with clock-like regularity except for one year during the World War, is A. Sidney Winston, merchant at Sturgis, Ky.

J. Paul LaMaster was bacteriologist at Elmendorf Farm, Lexington, for two years after receiving his B. S. in Agriculture. He then became an assistant, dairy division, U. S. Bureau of Agriculture, remaining with this division until 1919. Since 1920 he has been head of the Dairy Division at Clemson Agricultural College, Clemson College, S. C.

After receiving his B. S. in Mining Engineering, John P. Barrow was in the employ of the Youngstown Sheet and Tube Company until he entered service in 1917. In 1920 he with others, purchased the Transylvania Printing Company and is now manager of the business. He married Miss Caroline Steese of Youngstown, Ohio. They have two little daughters, Lora Steese Barrow and Caroline Steese Barrow. Residence address, 119 Washington Ave., Lexington, Ky.

Henry L. Spencer is practicing law at Jackson, Ky. He is chairman of Breathitt county in the present drive

WILDCAT—WE'RE WITH YOU!!

\$125 Means

JUST 15 CENTS A DAY

WOULD you miss 15 cents a day? Of course, you wouldn't. Not even if you were very, very low financially. The truth is that every day you spend much more than 15c cents in amusements and little luxuries.

AGREEING on that 15 cents proposition—let us point out that 15 cents a day amounts to \$125 over a two-year period.

And at least \$125 from you and every University of Kentucky Alumnus will enable your University to build the best Stadium in the South, the best Basketball Auditorium in the United States, a Memorial Statue to former President Patterson and an increase in the Student Loan Fund which will enable worthy students, without financial support, to complete their education.

Can you think of a better investment—for 15 cents?

When a subscription card is placed in your hands don't quickly take up your pen and sign the pledge for \$125—pause a moment and consider that your present good fortune is in a measure due to the training you receive from your University, and this is an opportunity to repay in part the debt which you owe.

There are many Alumni who are going to give twice, three times and ten times \$125

Give at least \$125, and get as much more as YOU can.

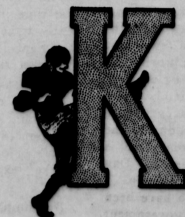

For Your Alma Mater

DIG DEEP AND SMILE

How Much Can You Give?

A \$125 subscription is just 15c a day over a 31 month period.
A \$250 subscription is just 30c a day over a 31 month period.
A \$500 subscription is just 60c a day over a 31 month period
A \$1,000 subscription is just \$1.20 a day over a 31 month period
A \$5,000 subscription is just \$6.00 a day over a 31 month period

Remember—that over and above your personal expenses it costs the University of Kentucky more than \$300 a year for your University Education.

SOCIETY

The members of the Alpha Gamma Epsilon fraternity entertained with a banquet Monday evening in the Palm room of the Phoenix Hotel.

Dr. Frank T. McFarland, faculty member of the fraternity, acted as toastmaster and the following toasts were given: F. A. Orth, "Our Future"; S. S. Shouse, "What Are Our Ideals"; O. L. Higdon, "Keep At It."

The following members of the active chapter were present: Messrs. N. C. Beese, Dewey Welch, Leslie M. Buckner, Wiley Sams, H. C. True, T. L. Hankins, O. L. Higdon, Ridgley McDaniels, R. A. Wilkey, S. S. Shouse, E. D. Armstrong, Ben R. Shaver, C. E. Baldrce, Jr., F. B. Jones, F. A. Orth, Emmett Bradley and Joe Bradley.

Beautiful Tea For Visitors

The vocational guidance committee of the University of Kentucky entertained Saturday with a beautiful afternoon tea in the reception room of White Hall in honor of the Kentucky Business and Professional Women here for the state convention.

The room was decorated with roses and other flowers and the tea table had an artistic arrangement of flowers and tall white candles in silver candlesticks.

In the receiving line were Miss Frances Jewell, Dean of Women of the University; Miss Adelaide Crane, Judge Florence Allen, of Ohio; Miss Stella Aikin, of Georgia; Mrs. Albert H. Morehead, Miss Anne I. Baker, of Paducah; Miss Nancy Carter, President McVey.

Assisting in entertaining were: Mr. Carol Sax, Misses Marietta Eichelberger, Flora Le Sturgeon, Margaret Horsfield, Sarah Tupper, Mrs. Lester S. O'Bannon, Miss Bessie Desha. Also Miss Margaret McLaughlin, Miss Mary Didlake, Miss Theresa Buchignani and Mrs. Charles Judson Smith, who were on the committee to obtain motor cars for taking the visitors a drive to Ashland and other places, thence to the university.

Presiding at the tea table were: Misses Margaret Coffin, Sarah Blanding, Lolie Logan, Maybelle Connell, Gladys Lowe and they were assisted by a group of twenty charming young girls, students of the university. Iced tea with sherbet, sandwiches and bonbons were served. Dr. McVey welcomed the guests and they were invited into the studios of the department of art to see the exhibition by Lexington artists which was kept open by request until Saturday.

The guests numbered nearly two hundred, consisting of the delegates to the convention, the members of the faculty, the vocational guidance committee, and men and women of Lexington.

Delightful Dance For Officers

The Kentucky chapter of the Officers Reserve Corps entertained with a delightful dance Tuesday evening in the ball room of the Lafayette hotel in honor of the officers here for the convention and to present the commissions at the university in the grade of second lieutenant to 14 graduates in the advanced course of the infantry unit of the Reserve Officers' Training Corps.

The ball room was decorated with American flags and many flowers and an orchestra of several pieces furnished the music.

In the receiving line were Major General James H. McRae, Col. Charles D. Rhodes, Gen. and Mrs. Roger Williams, Major and Mrs. William S. Webb, Major and Mrs. Clinton M. Harbison, Major Allen W. Gullion, Capt. Robert K. Massie, Jr., Capt. Herbert Graham, Col. R. W. Walker, Miss Alice Bell Halley, Miss Kitty Frewitt and the chaperones, Mr. and Mrs. Shelby T. Harbison, Col. and Mrs. Scott D. Breckinridge, Capt. and Mrs. Robert R. Estill, Capt. and Mrs. Shelby T. Harbison, Jr., Major and Mrs. William S. Webb, Col. and Mrs. George D. Freeman, Major and Mrs. Albert Sidney Johnston Tucker, Mrs. Frances Jewell, Capt. and Mrs. Goodloe McDowell, Capt. and Mrs. Joseph

E. Torrence, Capt. and Mrs. Marvin W. Marsh, Mr. and Mrs. Frank Estelle, Mr. and Mrs. Len B. Shouse.

Among the other guests of honor were Lieut. and Mrs. W. E. Congleton, Capt. Brent G. Nunnely, Capt. Frederick W. Staples, Lieut. Eugene L. Jackson, Major Thompson Short, Major Roger W. Jones, Capt. Louis V. Crockett, Lieut. Lewis L. Manson, Lieut. W. Carter Haley, Lieut. Allen E. Denton, Major Wallace G. Drummond, Lieut. Richard H. Prewitt, Major L. L. Pendleton, Lieut. J. H. Webster Thompson, Capt. Hart G. Foster, Major J. W. Watts, Major Charles T. Smart, Col. Ike Wilder, Major Roy D. Gabbert, Major Charles Dobbs, Lieut. J. Howard King, Lieut. R. J. Buchell, Lieut. C. H. Daugherty, Lieut. J. Holmes Martin, Major Sidney J. Anderson, Capt. Russell F. Albert, Capt. Lewis A. Maury, Lieut. W. W. Downing, Capt. Edwin W. Randle, Col. Gill McCook, of Steubenville, Ohio; Gen. James Tandy Ellis.

Others present were Col. George D. Freeman, the 14 graduates of the R. O. T. C. at the university, Messrs. Daniel R. Bail, F. A. C. Thompson, J. E. Wilkins, William H. Dickerson, W. G. Hillen, Joseph H. Johnson, C. S. Carter, Theodore Creech, F. M. Heath, D. Nance, H. M. Clay, C. Lane, N. G. Porter, Edward Gans, Capt. and Mrs. S. L. Dorsey, Major Morris B. Gifford, Lieut. J. Headley, Jr., Mrs. Armin Binder, Misses Laetitia Magoffin, Ethel Snyder, Nancy Innes, Mary Snell Ruby, Christine Gearhart, Margaret Ligon, Catherine Jameson, Betty Carrol, Margaret Chenault, Dorothy Monroe, Ruth Gorman, Dorothy Middleton.

A Beautiful Affair

The students of the College of Engineering, University of Kentucky, entertained Friday evening with the engineers' annual carnival ball in Dicker Hall at the University. A pavilion had been built on the south side of the hall with a little stairway leading up thru one of the great windows, and this added beauty to the scene. The hall, always a very attractive and interesting place, was elaborately decorated in green and white streamers festooned over walls and ceiling and various colored balloons hung from the garlands. The pavilion was also decorated and lighted with many lanterns. It had been erected out among the trees and there was moonlight.

The programs were in blue and white, prints made by the engineers, and marked with an engine on the front cover.

The hosts, who were some of the most talented and brilliant students of the University, were assisted in entertaining by the chaperons: President McVey, Dean and Mrs. F. Paul Anderson, Dean and Mrs. C. J. Norwood, Dean Frances Jewell, Prof. and Mrs. W. E. Freeman, Prof. and Mrs. D. V. Terrill, Prof. and Mrs. L. S. O'Bannon, Prof. and Mrs. C. S. Crouse, Prof. and Mrs. J. H. Johnson, Prof. and Mrs. E. A. Bureau, Prof. and Mrs. R. D. Hawkins, Prof. and Mrs. B. Barnett, Prof. and Mrs. L. E. Nollau, Prof. and Mrs. J. B. Dicker, Prof. and Mrs. J. S. Horine.

The Blue and White orchestra furnished the music, and fruit punch was served all during the evening.

The costumes were quite varied and many of them picturesque and effective. There were sheiks, troudadors, nurses, country bumpkins, pierrots, pierrettes, columbines, Indians, clowns, policemen, representatives of flowers, baby costumes, etc. Prizes of boxes of candy were awarded. The men's prize was won by Mr. Robert Clark whose costume represented splendidly a sheik, and the woman's prize by Miss Margaret Baker, very lovely as a Red Cross nurse. The prize for the couple was won by Mrs. R. W. Hogan and

Miss Rogers, who were dressed as Spanish troubadours.

There were about five hundred guests present for the brilliant and beautiful event.

ARCHITECTURE

Washington University, because of its urban location, offers unusual opportunities for specialized education along certain professional lines. In addition to splendid laboratories and physical equipment, libraries containing more than a quarter of a million volumes, and capable and experienced Faculties, the student has at his disposal all the facilities of a large city for the practical application of the theories taught in the class room.

GOOD BYE AND GOOD LUCK.

This issue of the Kernel will be its last for the session of 1922-23, throughout this period the staff has worked up to the week of the examinations instead of suspending publication one week before as has been the custom. This added issue of the Kernel is therefore a step in advance of publications of preceding sessions.

The Kernel is aware that to fulfill its mission perfectly would be well nigh impossible, but it has done its utmost to achieve that goal, hampered greatly at all times by being compelled to publish in a plant a mile from the grounds, this prevents careful attention to detail, closer contact would have insured

We have strived to the extent of our ability to make the paper a success, to keep in harmony with and to serve the entire student body and faculty. Although at times more or less harsh strictures appeared in the columns we hope these were received in the spirit in which they were intended.

Financially the Kernel is in better condition than it has been before in its history. Contrary to custom there is not a single outstanding debt and there is a comfortable surplus to its credit; this in itself we believe is a praiseworthy achievement. There has never been a time in this session the Kernel has failed to appear on the campus when it was due. There have been no issues missed and no issues late. Whether the paper has reflected credit upon the University we leave to the judgment of others.

As the mantle of the retiring staff falls upon those who will "carry on," those who surrender it believe they will be able to acquit themselves with superior ability and ampler success. The Kernel closes the first year with a cord at its helm. It also closes its most successful year financially. Too much cannot be said in praise of that leader who has so ably and admirably carried on the work that fell upon her always willing shoulders.

It is with a genuine deep regret that we come to the time when we have to bid farewell to some and au revoir to others. Our associations have been pleasant and happy. We have made friends that we will abide thru life. Some will leave their Alma Mater to begin their battle of life. Others we will meet soon again on the campus of our beloved University.

The finger of time has written finis to another chapter of our lives. It hesitates but a moment and then begins anew. What characters will go to make up the next chapter we know not.

We can only hope that the great author will deal kindly with all. At the end of the chapter we bid God-speed and good-luck to those who have reached the journey's end. To those who have merely passed another milestone on their way, we look forward hopefully, even joyfully to association and good fellowship with them that are to be our in the years to come.

WELCOME DELTA ZETA

The Kernel takes pleasure in welcoming on behalf of the University of Kentucky, Delta Zeta, women's national social fraternity which was established on the campus last week. The fraternity is one which ranks high among the national fraternities and it is with interest that the new chapter is being received among the Greek letter fraternities on the campus.

SENIORS HOLD ANNUAL

ner. A characteristic freshman journalism lecture was given with a combination of Carol Sax and his fish jokes, engagements, dances and examination stories.

Following "Miss Margie" was Ann Hickman calling Berl and the girls in a severe tone which immediately identified her with Miss Crane.

Haynes Barr as "Daddy Boles" closed the meeting by making a few peppy remarks. "Daddy" was going to play golf and he couldn't find G-e-or-g-e.

Another "moving day" was over and the juniors moved up into the Seniors' places, the sophomores took the juniors' and the freshmen moved up to make room for the incoming class next year.

DR. FUNKHOUSER ELECTED PRESIDENT OF SIGMA XI

Dr. Charles Zeleny Speaker at Banquet

At the second annual banquet of the Kentucky chapter of Sigma Xi, honorary scientific fraternity, held at the Phoenix Hotel Friday night, Dr. W. D. Funkhouser, head of the zoological department, University of Kentucky, was elected president. Others elected were: Miss Henrietta Eichelberger, vice-president, Professor H. H. Downing, secretary and Professor P. E. Karraker, treasurer.

The main address was given by Dr. Charles Zeleny of the University of Illinois on "Some Phases of Research of Heredity," in this talk he referred with emphasis to the wonderful possibilities for research along this important line, which is of so great universal interest.

Following the custom of conducting an initiation ceremony at the close of the banquet, the following were by rites of the society, taken into the active membership: Professor Charles C. Crouse and Professor H. H. Jewett, of the faculty of the University; Edward M. Johnson, Floyd McCullum and Leland B. Snoddy, graduate students; Miss Gladys M. Lowe and Wayland Rhodes, members of the faculty and serving as associate members; W. Arthur Anderson, Esten Asher, Paul W. Miller and S. S. Shouse, undergraduate students.

men will have the honor of having their name inscribed on this honor roll.

In addition this tablet there will be placed in a conspicuous place the names of all those who subscribed to this campaign.

PROMINENT MEN ON SUBSCRIPTION TEAM

Major Allen W. Gullion, Colonel R. A. Burton, Louis Lee Haggin and Arch L. Hamilton have accepted appointments as members of the initial subscription team to work for the campaign for the new stadium, basketball auditorium, Patterson Memorial, and student loan fund, which will require about \$200,000 to finance.

These active supporters of the University will proceed during the next two weeks to sign up large subscriptions for the campaign and it is hoped that more than \$50,000 may be raised by this committee prior to beginning the intensive campaign which is to start officially on June 1st.

CATS END TRACK SEASON WITH SPLENDID RECORD

Freshmen Win Three and Lose One; Telegraphic Meets Feature

Fourteen Wildcat trackmen have been awarded the "varsity" "K" by the Athletic Board for their work on the track during the past season. They are Captain Davidson, Ted Brewer, Horace Brown, Sam Caldwell, Butler, Dewhurst, Marion Gorman, Melton, Nantz, Porter, Woolfe, Gregg, Mays, and Manager Gregory. Jack Frost will be manager next year.

Numerals were awarded to the following freshman trackmen: Allen, Beard, Coons, Bob Creech, Manager Chenault, Green, Hughes, Ray, Hall, B. D. Hall, Kirwin, Miller, Phillips, Tracy, Triplett, Wilson.

Both "varsity and freshman track squads were successful in their meets throughout the season. The varsity opened the season with an indoor carnival at Cincinnati, where they took fourth place. At the Louisville indoor meet, there was too much track ability of unusual calibre for the Cats to win. They scored one point at Louisville.

The first outdoor meet of the season, with Vanderbilt, was cancelled because of rain, and the second, with Tennessee, was lost to the Vols, 68-63. Kentucky came back and at the Georgia Tech Relays took third place in the four mile relay. Cincinnati proved easy for the Cats and Kentucky scored a 84-47 victory. The Cats failed to show in the S. I. C. meet at Montgomery. The season was ended with the State meet in which Kentucky took second place.

The Freshman squad lost only one meet, a telegraphic meet with the Mississippi A. and M. Freshmen. The yearlings from the Southern school ran up a 70 to 47 score on the Kittens. The Kentucky yearlings defeated Georgia Tech freshmen 81 1-2 to 31 1-2; University of Georgia freshmen 66 to 46, and Centre freshmen 71 to 60.

Louise Mac—That dance made me dizzy, let's sit down.
James Mac—All right, I know a nice dark corner out on the porch.
Louise—Thanks just the same, but I'm not as dizzy as all that.

Pro-Vol.

Eddie—Who goes there?
Boodgy—A friend—with a bottle.
Eddie—Pass friend—Halt bottle!
Mike—You should pull the curtain down when you kiss your wife. I saw you last night.
Pat—The joke's on you; I wasn't home last night.

Garcon!

He—"Going to have dinner anywhere tonight?"
She (Eagerly)—Why, no, not that I know of.
He—Gee, you'll be mighty hungry in the morning.

Tra la la

First Stude—How did you get that black eye?
Second Ditto—Well, Cleo's dad came into the front room when we were dancing, and he is deaf and can't hear the victrola.

"Drip" Jones—What kind of an instrument is that?
Emmet Milward—She horn.
"Drip"—What does it play?
Emmet—Foot notes.

"Sap"—There goes Mable.
"Map"—I think a lot of her.
"Sap"—I know—a lot you shouldn't.

Stewed—She's got a mean pair of knees.
Stude—Yeah—they're always knocking each other.

Teacher—What is the meaning of the word "mop"?
Ikey—Please teacher, a mop is a big crowd of people that don't know how to behave.

It must have been rather late when you left the party last night?
Yes, it dawned on me on my way home.—Life.

'Twas midnight on the ocean,
It was storming to beat the band,
But the sailor didn't mind it
For he was standing on dry land.

Who?

Who rides in Pullmans not in trains?
Who giggles, "Has the window pans?"
Who wants a taxi when it rains?
A co-ed.

Who calls you up at midnight hours,
To thank you for posies which were flowers?
Who is it call your roadster "ours?"
A co-ed.

Who runs her fingers thru your hair,
And whispers things quite passing fair,
And then forgets that you were there?
A co-ed.

Who leads you gently to the door,
And says, "You should have gone before?"
And then stands there and begs for more?
I wonder?

—Gargoyle.

My pin is gone!
She worked too fast.
But she got stung.
The pin is brass.

The wife of a clergy who was to officiate at a funeral one rainy day said:
"Now, John, don't stand with your bare head on the damp ground."

"Are you there?"
"Who are you please?"
"Watt."
"Watt's my name."
"Yeh, what's your name?"
"My name is John Watt."
"John what?"
"Yes."
"I'll be around to see you this afternoon."

"All right. Are you Jones?"
"No, I'm Knott."
"Will you tell me your name then?"
"Will Knott."
"Why not?"
"My name is Knott."
"Not what?"
Brr, clank, crash, stars, etetra and so forth. —Flaming.

A new story is going around the financial district about an old darky, who was asked by a proprietor of a store how he happened to need credit when he had such a good cotton crop.
"De ducks got 'bout all dat cotton, suh," was the mournful reply.
"What do you mean by ducks got it?"

"Well, you see I sent dat cotton up to Memphis an' dey deducks de freight, and dey deducks de storage, and dey deducks de commission. "Yes sah de ducks got about all dat cotton."

Manager—"All ready, run up the stage curtain."
Stage Hand—"Say, what do you think I am, a squirrel?"

"My heart is in the ocean," cried the poet.
"You've got me beat," said his seasick friend as he leaned over the rail.

Max—"Digging a hole?"
Climax—"No, digging dirt, leaving a hole."

"Oh, say, what's worse than a giraffe with a sore throat?"
"Easy; a centipede with chilblains."

He—"I wish I was a star."
She—"I wish you were a comet so you wouldn't come around except once every thousand years."

Grand Goblin—"Order there, order."
Inebriated Klansman—"I'll take beer and a ham sandwich."

CAMPUS CHATTER

The following students have been appointed from the department of journalism, to have charge of the work done by the State Press Association for next year: Dixon Davidson, chairman; Virginia Seay, Anne Maltby, Bertha Kraft, copy readers, and Margaret VanMeter, secretary.

The University of Kentucky announced Saturday the establishment of the Howard Payne Ingels prize in public speaking. The prize, valued at \$100 annually, is donated by Howard P. Ingels, of New York, a graduate of the University.

It will be awarded each year during commencement time to the junior engineering student who, in the opinion of the professor of public speaking, has made the most progress in this course, which is required for engineering students.

The executive committee of the Graduate School announces the appointment of William R. Hutcherson assistant in mathematics and Norman C. Reese as assistant in physics for the ensuing year.

The candidates for the Master degree at commencement numbers 22, the largest class ever presented for this degree. The list includes five engineering, four in agriculture, four in education, and the remainder in English, zoology, physics, botany, geology and mathematics.

The University Golf Club has been permanently organized. The club consists of fifty members from the faculty and fifteen from the student body.

The first game of the club will be played next Saturday on Stoll Field. The field affords five holes but it will only be used for a short time until permanent ground is provided.

The Extension Department of the University will conduct an Institute of Citizenship from June 27 to 29. Courses will be offered in all general problems of citizenship.

Eleven girls will represent the University in the Y. W. C. A. conference at Blue Ridge, N. C. They leave Monday night, June 3, and will spend ten days at this annual southern convention.

Every year a number of girls are chosen by the Y. W. C. A. as delegates to Blue Ridge. Here they meet with delegations from other colleges and universities and problems of the association are discussed. It is the aim of each Y. W. C. A. organization to send as many girls as possible to this conference in order to create and spread a greater interest in its work; and this year the university will be represented by one of the largest groups ever sent from its campus. These delegates are: Marion Parsons, Ruth Fogle, Lucille Bush, Katherine Elliott, Elizabeth Snapp, Virginia Foreman, Ethel Brock, Katherine Kincheloe, Virginia Seay, Mary Adams and Margaret Combs.

CO-ED TENNIS TOURNAMENT WON BY KELLEY AND HELM

U. K. Team Defeated Wesleyan in Meet Friday

The girls' interscholastic tennis tournament of the University was won by Elizabeth Helm and Virginia Kelley after defeating Eugenia O'Hara and Georgina Rouse in the finals held on Monday afternoon on the University courts. After a hard fought match Helm and Kelley held the long end of the score 6-3, 7-5. The freshmen showed up well all during the tournament.

Friday afternoon a match was played between Wesleyan and the University girls, the result of which added another victory to the U. K. team. There were three matches played, Kentucky being the winner of two. The doubles contest, won by Helm and Kelley against Carrithers and Hardin, was a seemingly easy contest, the score standing at 6-2, 6-4. In the first singles Miss Lewis, of Kentucky Wesleyan, displayed great ability, taking a hard earned victory from Elizabeth Wilson, 4-6, 6-4. The other singles was easily annexed by Elizabeth Helm, 6-1, 6-2. A return game was played in Winchester Tuesday afternoon.

This is the first year the University co-eds have exhibited much interest in this sport and their progress will be watched with interest.

WARNER SAYERS HONORED

Warner Sayer, ex-'09, former president of the University of Kentucky Alumni Club, has been greatly honored by his associates of the Fall Festival Committee by their naming the last day of the Cincinnati Fall Festival, Saturday, September 8, "Warner Sayers Day."

Mr. Sayers, who is president of the Lawrence Electric Company, of Cincinnati, was chosen president of the Fall Festival because of his aggressiveness and his wonderful power of organization. The naming of Mr. Sayers to head the Fall Festival work was a popular choice and results obtained since he has taken hold show that he is the man for the job.

The Fall Festival will extend over a period of fifteen days—August 25th to September 8th. Saturday, September 1st will be "Kentucky Day."

LAST BUSINESS MEETING OF TUSITALIA HELD FRIDAY

Tusitalia, the student writers' club of the University, held its last business meeting of the semester on Friday night, May 25, in the Alpha Zeta room of the library. The meeting was conducted by the new officers. They are as follows: Marion Parsons, president; Katherine Elliott, vice-president; Ann Riddell, secretary-treasurer.

The project of publishing a quarterly magazine is being considered by the members. It is also probable that the organization will become affiliated with a national literary fraternity.

The last meeting of the year will be a social one as a picnic to the river is planned for June 3.

AGRICULTURAL NOTES

Fruitful progress was made during 1922-23 in the work of the Kentucky Agricultural Experiment Station, according to the thirty-fifth annual report of Director Thomas P. Cooper.

Certain investigations of great importance to the farming interests of the state have reached a point where they may be developed in terms of farm practice through the work of the extension division of the College of Agriculture, the report says. The results of other investigations, which have made satisfactory progress during the year, soon will be ready for dissemination.

The need for additional funds, if the Experiment Station is to be of greater service to the agricultural interests of the State, is stressed in the report.

The series of eight all-day field meetings held each year on the soil experiment fields maintained in different parts of the state by the Kentucky Agricultural Experiment Station, is under way for this year. The first meeting was held Thursday on the field near Greenville. Following the Greenville meeting, similar ones are to be held on the fields near Hopkinsville, Russellville and Campbellsville on June 1, 2 and 4 respectively. The remaining four meetings, which are to be held on the fields near Paducah, Mayfield, Fariston, and Berea, will take place some time during the late summer, probably in August, according to Professor George Roberts, head of the agronomy department of the experiment station.

Staff members who will speak at each of the meetings include: Prof. Roberts, S. C. Jones, superintendent of the experiment fields, and Thomas P. Cooper director of the experiment station and dean of the College of Agriculture.

FRESHMAN BASEBALL NINE CONCLUDES SEASON WITH ONLY ONE DEFEAT

Nine Wins Chalked Up With Good Margins in Score

PITCHING STAFF GOOD

Next Season's 'Varsity to Profit Greatly By Acquisition

The University of Kentucky baseball team ended its season Wednesday afternoon when they played the Centre first year men. The season was most successful, with eight wins and one loss.

They defeated the Georgetown Cubs twice, Union College twice, Eastern Normal twice, and Cumberland College, Centre Lieutenants and Manual High School. The only defeat of the season was at the hands of the Manual boys. This was the biggest surprise of the season, as they had defeated the Louisville boys 15 to 0 only the week before. The three-day trip through eastern Kentucky proved a great success, as it was on this trip they annexed three of their victories.

All members of the team showed much improvement throughout the year, and next season's 'varsity will profit greatly by their presence. Much credit should be given Coach Cooper for his ability in training his charges and also for the co-ordination in which they worked together.

The pitching staff was especially strong; Hughes and Vossmeier were the mainstays, with Samuels and Riffe ready at any time. Vossmeier worked in every game—when he was not pitching he played centerfield. Hughes was very effective in the box and at bat he was a shining light. Samuels and Riffe both experienced trouble in controlling the pill, but each pitched good ball. Riffe was the only south-paw on the squad.

The catching department was taken care of by Sauer and Derrick. Sauer also played in the outfield. Both men were very good behind the bat; with Derrick a little better with the willow.

"Daddy" Glenn was the strength of the infield, his fielding and hitting were outstanding features. Alberts and Captain Adams took good care of the keystone bag, but were a little weak at bat. Croft is a good third baseman and held down the sacrifice position at bat.

Johnnie Evans was the only one who played regular in the outfield. In left field he was credited with only one error during the season and was a good hitter and a fast man on base. In centerfield Vossmeier and Sauer alternated. Burford played right-field most of the season. His main weakness was his inability to hit.

Last, but by far not least, much credit must be given Manager Williamson for the manner in which he handled the balls, bats and water. He was on the job every minute and was ready to do anything to help the team.

KENTUCKY TEAMS WIN AND LOSE IN THE STATE MEET AT GEORGETOWN

Freshmen Beat Centre's Youngsters by 71-60 Count

BERRYMAN HIGH MAN

Colonels First in Senior Meet; Kentucky and Georgetown Trail.

The Kentucky Varsity and Freshman track teams broke even with Centre cinder artists last Friday afternoon in the annual championship meet of the state which was held on Hinton Field, Georgetown. Centre and Kentucky entered the only Freshman teams and the Kittens won by a 71 to 60 score. Centre was first in the varsity meet with 68 points, Kentucky second with 43, and Georgetown third with 21, and Berea last with 3.

Berryman, the Centre sprinter, was high-point varsity man with 16 1-4 points, while his teammate and captain Mountjoy, ran second, with 15 1-4. Leonard, also of Centre, was high-point man among the yearlings, with 22 points.

Five records were broken by the varsity track men. Captain "Red" Davidson hurled the shot a distance of 38.34 feet for a new state record. Porter bettered his own record in the two mile run by going the distance in 10 minutes, 9.8 seconds. Robertson of Centre ran the 440 yard dash in 51 seconds for a new state record. Mountjoy, the Centre ace, cleared 5 feet 9 1-4 in the running high jump and the Centre relay team shattered the old record in the relay with a new time of 3:26 minutes.

The freshmen turned in better records than the varsity in many events, the most noticeable, however, being the high jump, in which Hughes cleared 5 feet 10 1-4 inches, after Mountjoy had set a new record an inch lower. Spurlock also broke one of the new state marks when he heaved the shot 39.33 feet.

The Summary:

Varsity:
 100-yard dash, Berryman, Centre, first; Robertson, Centre, second; Nantz, Kentucky, third. Time 10 seconds.

220-yard dash, Berryman, Centre, first; Head, Georgetown, second; Nantz, Kentucky, third. Time 22 3-10 seconds.

120 high hurdles, Dewhurst, Kentucky, Mountjoy, Centre, tied for first; Georgetown, third. Time 16 9-10.

220-yard low hurdles, Dewhurst, Kentucky, first; Robertson, Centre, second; Long, Georgetown, third. Time 27 3-10.

440-yard dash, Robertson, Centre, first; Head, Georgetown, second; Banta, Georgetown, third. Time 51 seconds.

880-yard run, Kimball, Centre, first; Gorman, Kentucky, second; Butler, Kentucky, third. Time 2:00 4-5.

1 mile run, Kimball, Centre, first; Melton, Kentucky, second; Brown, Kentucky, third. Time 4:41.

Two mile run, Porter, Kentucky, first; Moore, Georgetown, second; Brown, Kentucky, third. Time 10:09 4-5.

Discus throw, Gordy, Centre, first; Shadoan, Centre, second; Davidson, Kentucky, third. Distance 38.34 feet.

Shot-put, Davidson, Kentucky, first; Gordy, Centre, second; Shadoan, Centre, third. Distance 38.34 feet.

High jump, Mountjoy, Centre, first; Moran, Berea, second; Jacoby, Georgetown, third. Distance 5 feet 9 1-4 inches.

Broad jump, Berryman, Centre, first; Mountjoy, Centre, second; Gregg, Kentucky, third.

Pole vault, Woolfe, Kentucky; Mountjoy, Centre, and Elphrey, Georgetown, tied for first at 10 feet.

Relay won by Centre; Kentucky second; Georgetown third. Time 3:26.
