How are you? I receive
your letter today & was very
glad to hear from you & you
got there alright. I wrote
a letter to you all Monday
& hope you got the letter
I sent you the Friday after
you left. It was registered
containing key & ticket for
the Boy Linn sent you.
Marg. I thought of
you & had put in the
record that you went home
I think you also got the
paper by now.

I have not heard of
Linn since he left.

I will try to make some
arrangement to send Knox
