

Tampa, May 28<sup>th</sup> 1921

Dear Marguerite and Sam,

Helen reached Tampa Tuesday evening  
7<sup>15</sup> in the best disposition, she made a very  
good trip and is looking well. She is so much  
pleased with the visit she made to old  
Kentucky and especially with your kindness  
she appreciates so much all you did to make  
her stay pleasant. I thank you so much for  
all the good things she brought, the cake  
dear Margo, is very good. When I got  
hold of her sachel I asked her if she  
brought some bricks, no she said it is  
something better. Mr. Cook seemed to  
be very glad to see her coming back,  
he came out in the morning, to tell me,  
but I already had received Helen's card  
so I was in town before, he came at  
the depot to take all her things home.  
Mr. Cook seemed to pay much attention  
to Helen and they go out very often.
