PUBLISHED WEEKLY AT THE MARGARET I. KING LIBRARY, UNIVERSITY OF KENTUCKY, LEXINGTON, KY. 40506-0039

FROM THE ADMINISTRATIVE COMMITTEE...

The Priorities Assessment Document will be discussed with the Senate Library Committee at their January meeting and a copy will be put on reserve for the library staff to read. The Library Faculty will discuss the document at the January Faculty Meeting. ACTS has also expressed an interest in the document. Any substantial feedback will be forwarded to Don Sands.

The possibility of the Library applying for an NEH grant to become a newspaper depository for the State of Kentucky was discussed. The State Library is also looking into it and has a member on its staff qualified to head it. The State Library will defer to us if we want to apply and that staff member will come to the University of Kentucky. The problem is that we have to pay him between now and July 1st. Paul Willis discussed this with Dr. Sands and he said he would see what could be done.

The English Department approached Paul Willis about setting aside a folklore collection in Special Collection. Paul Willis is to meet with them on the matter.

There is time on the prime computer for instruction if any of the faculty members would like to take advantage of it. Reference is going to do a library instruction package and if anyone else has projects to be done Mike Lach needs to know soon so he can pass it on to the Computing Center.

The Staff Development Committee is exploring the feasibility of Marsha Green coming into the Library to do some staff development programs.

PRIORITIES ASSESSMENT DOCUMENT ON RESERVE

Four copies of the Library System's priority review have been placed on one-day reserve at the King Library Circulation Desk. They are listed under my name. All interested Library staff members are encouraged to review the report. It will be discussed at the next Library Faculty meeting.
