

Pink & Green Bathroom

5

One doesn't need to fly to Palm Beach to be surrounded by the elegance that abounds there. Pink and green are essential colors in the world of Lilly Pulitzer and quite appropriate for the pink and green tiled bathroom. Balloon shades, sink skirt and shower curtain are made from the Lazy Palm and Daisy fabric. The accessories include a crystal chandelier, Venetian mirror and Lilly Pulitzer Laminates. Every detail is lush down to the fabric covered lampshades and the shadow-stitch monogrammed towels.
