The University of Kentucky Libraries Staff Organization supplement to the
Green Bean

April 1984

FROM LSO

Book Sale April 26-27.

LSO will have a table at the Library Associates Book Sale. Only Paperbacks will be sold. If you have paperbacks you would like to contribute to the sale, please take them to JESSIE ADAMS, BPD, third floor King North. Jessie has agreed to store the books until the sale day.

Volunteers are needed to staff the LSO table at the Book Sale. If you can work 1 or 2 hours sometime on Thursday, April 26 or Friday, April 27, between 9-4, please call or see Norma Jean Gibson, Reference Dept. MIK South, 7-1631.

Membership Tea

The King North Staff Lounge was the setting for a spring LSO membership drive tea on March 13, 1984. Those who attended were offered spiced tea, coffee, and doughnuts all arranged beautifully for a St. Patrick's Day theme. From the approximately 60 people who came to the tea, 10-15 new members were added. The current LSO President, Barbara Randolph welcomed all the guests and had the unit heads introduce their new employees. We would like to take this opportunity to thank the LSO social committee for their time and efforts in arranging this tea.

ABOUT THE STAFF

Meet the President

BARBARA RANDOLPH, President of LSO, has been a searcher/key puncher in the Acquisitions Department for the past two years. She has also worked in cataloging (5 years) and, before joining the library staff, Barbara was a receptionist in the residence halls here at UK.

Barbara was "born and bred" right here in Lexington, Kentucky. A graduate of Tates Creek High School, she attended the University School (now Taylor Education Building) before it was closed. Barbara's two sons, Kirk (11) and Nathan (8), attend Glendover Elementary School. Kirk, the family artist, now has an exhibit showing in the newly-formed gallery in Acquisitions. (He gets it honest though, as his mom like to draw and doodle.)

Reading romantic novels and doing counted cross stitch are two of Barbara's hobbies. She also likes to go out to eat and she hates to cook (Hmm, those last two things MIGHT be related, don't you think?)

The family dog, part chihuahua and part poodle, is appropriately named "Chi-Chi." Barbara said that she might have some puppies to give away if Chi-chi gets out again. (Oh the trials and tribulations of parenting!)

Barbara has been active in LSO. She brings experience and many new new ideas to the job of President for 1984. We're glad she is our FL (Fearless Leader)!

P.S. Not being trained as a journalist, I will publically name my sources -- Laura Olson and Brian Coutts in Reference who know how to spell "chihuahua."

Thanks - Karen

CONGRATULATIONS TO

THERESA (IMMR) and JOE WYLIE on the recent birth of their son James Frederick

CATHY (Music) and BRIAN HUNT on the birth of their daughter.

FROM THE PAST

LSO has been a part of the Library System for the past 28 years. It began as a group to address professional concerns but over the years it has evolved into a staff enrichment organization. Many of our current staff members have served as officers in this organization. The first president was Jacqueline Bull (who was known as the Chairman) and Geraldine Taylor (now Webb) was Secretary and Treasurer. Over the next few months we will list past officers to remind us how many have given their time to make LSO work.
