

Aug. 2, 91.

Dear Mr. Gordon, -

Monday evening
will suit me just as well
as Saturday.

It was a little wet over
at Mont Alto, although it
did not rain of any ac-
count after dinner. We had
a very pleasant time, but
not half as enjoyable as
last year.

Your ever affectionate friend,

Bess Spicer.

Dear Mr Gordon,

You are in the city yet, I suppose, for I have heard nothing to the contrary, having seen you on Sunday.

Would you like to call, with me, on Miss Knoche and her friend Miss Bigler from Philadelphia? If so, please let me know if Friday evening would suit. If not, what evening would?

Yours sincerely

Bess W. Spicer
