

State College of Kentucky.
May 1, 1896.

The faculty was called to order by Vice Pres. Shackelford and the minutes of the last regular meeting with those of called meetings inter-revised ~~between~~ these were read and approved. There was no business before the faculty; so, after some informal conference as to the best means of advertising the College and of holding entrance examinations, the meeting adjourned.

R. L. Plantan,
Sec'y.
