EXCERPTS OF LETTERS RECEIVED FROM BOYS OF THIS PARISH IN APPRECIATION OF GIFT AND SPIRITUAL BOUQUET RECEIVED AT XMAS TIME.

"It is a source of happiness to know that the church is still in there pitching and following a fellow wherever he goes. It sort of makes a guy realize that regardless of what the whole world sticks its neck into, there is always a sanctuary- a place where there will be quit when this is all over," G.E.V E.

"It is a very comforting thought to know that I have friends who are partaking in so many spiritual devotions for my benefit. You know far better than I, that the best weapon we have at a time like this is prayer. I can use many more of them, and I sincerely appreciate those that have already been said for us," V.D.H.

"The little tribute on the Xmas card was very nice and THANKS. I feel proud coming from a parish which has such thoughtful members to conceive such an idea for its boys in the services. There are times when I know the prayers of my friends back home certainly influence my actions," C.D.

"Victory to be properly entitled to the name, must embody a better understanding of our fellow men and we must always be mindful that there is but ONE Superior-- Our Creator, Almighty God. If the pattern displayed by Christ the King is followed we cannot fail to attain that goal. My short duty in Panama has already served to make me realize that our country has been showered with blessings by Almighty God and is worth preserving " C.J.V.

"Thanks for the wonderful Xmas present. The children of the parish are to be commended for their great work and prayers". A.T.D.

"I want to thank the parish from the bottom of my heart for Xmas card. Its little things like this that drives us on to victory." M.B.S.

"I want to thank you and the parish for the Spiritual Bouquet and present. It is gratifying to know that we are remembered in such a wonderful way". J.C.C.

"Thanks. I have seen two of my former teachers from Christ the King while here; Sister Columbiere and Sister Placide " R.D.

"Please accept my sincere thanks. It is good to be remembered by the people of Christ the King". L.H.J.

"When we realize that we face great danger in the near future, we realize the value of such a Spiritual Bouquet". R.L.H.

"A soldier never has enough money and of course always appreciates the prayers of his friends" C.B.Z.

"I am very proud of my church, and I am sure that the prayers of the children will not be in vain. Tell all the Sisters and everybody that I said HELLO". L.Z.

"Of particular interest is the Spiritual Bouquet which will serve the members of the armed forces in good stead, for it will boost the morale of the boys away from home " R.J.N.

"It gave me a fine feeling to know that the members of the parish are praying for us, and I am sure all the boys in the service will get a kick out of knowing that the members of the parish have not forgotten us " H.C.

"I wish you would tell the people of the parish how much a soldier really appreciates that the people at home are thinking of him in their prayers". F.B.

"It will be the prayers of the children that will give the boys at the front courage in trying moments." B.C.
