Senior Comedy Should Be Hilarious!

Welcome To New Faculty and Students

This year the faculty welcomes three new arrivals. They are: Mrs. Eleanor Evans, who teaches languages; Mrs. Ada Mary Pyle, who teaches Physical Education and is in charge of the cheerleaders; and Mrs. Nellie Dry, who teaches Business Education. (See U-Hi Lights Welcomes); and Mr. Lawrence Norris, Band Director, (See Band News).

Mrs. Evans was born in Fernie, British Columbia. She received the Bachelor of Arts Degree in French and Latin from the University of Alberta, and she later was awarded a year's study at the Sorbonne. She then returned to the United States, where she received the Master of Arts Degree in Languages. Mrs. Evans is the sponsor of the Sophomore Class.

Mrs. Pyle comes to us from Hopkinsville, Ky. She has received the Bachelor of Science Degree from George Peabody College, and has done graduate work at both Peabody and the University of Kentucky. She has served as Supervisor of Physical Education in Hopkinsville, and is now Vice-President of the Kentucky Association of Health, Recreation and Physical Education, and chairman of the Music Department of the Kentucky Parent-Teacher Association. Mrs. Pyle is sponsor of the Pep Club this year.

Senior High

As we walk through the halls there are many new faces. If you would like the names to go with the faces, just keep reading.

The tenth grade new students are: Bill Warren, Bill Varelles, Linda Ethington, and Carolyn Swartz.

Eleventh grade: Mike Flynn.
Twelfth Grade: Margaret Wyse, James Varelles, Ebert Warren, Louise Spinney, Bill Bryan, and William Yousey.

To both the new students and the old ones who have returned, we extend our best wishes for the coming year.

Junior High

A big welcome to the seventh graders who have just arrived on the high school side of the building, and all the new students in Junior High. There seems to be quite a few new faces in these "hallowed halls" this year. We are happy to have them with us, and we hope that they will enjoy their stay with us.

Voice of Democracy Contest Held at U-Hi

On Thursday, November 8, the Voice of Democracy contest was held at U-Hi. Four contestants tried out by giving their speeches over the Public Address system, and were judged by Mr. Burkeen and Mrs. Evans. Bob Sprague was selected the school winner, and won also in two of the preliminaries. The contestants were judged on their presentation of their speeches, content and originality.

The Senior Class has chosen their play for the year which is, "Best Foot Forward." This play had a three year run on Broadway and was rated as a very good play. It is a comedy and is guaranteed to keep you laughing during the whole performance.

The cast has been rehearsing four nights a week and progress is being made. The play will be presented at 8:00 o'clock on November 16, 1957 at University High School.

The cast of "Best Foot Forward" is as follows:

Bud Hooper—Bradley Switzer
Dutch Miller—Charles Stewart
Hunk Hazt—Bill Bryan
Chuck Green—John Howard Williams
Satchel Mayer—Chuck Maxson
Dr. Reeber—Ernest Clarke
Old Grad—Bill Yousey
Minerva—Shelia Hargett
Ethel—Willie Ann Newberry
Miss Delaware Water Gap—Rae Reed
Blind Date—Margaret Wise
Professor Lloyd—Lanny Cox
Gale Joy—Lindsay Nunn
Jack Haggerty—Charlie Turnbull
Chester Billings—Jim Verallas
Helen Schlessinger—Lady Green-slit
Miss Smith—Perry Patterson

The play takes place during a big dance at a boys school about this time of year.

The boys are very excited waiting for their dates to arrive. It doesn't take long, after the girls have arrived, to discover that there is an extra girl present. The humor revolves around this situation.

Chuck Maxson was interviewed on the Len Carl Show on television, November 9. He gave a short summary of the play and told who the characters were.

The play was advertised on Radio, and on Sue Fenimore's television show.

"Best Foot Forward" will be given on Thursday, November 14, for the elementary students of the school.

The Seniors of University High hope that everyone will come. "They know you will enjoy it."

Student Organizations

As we finish the first six weeks of another school year it is well to review our accomplishments and at the same time determine what lies ahead.

U-High has many useful and important organizations which require the attention of the students of our school. We have been successful in our attempts, so far, to perform the duties for which each club is organized but all organizations can be made better.

In this case the requirements of the students consist of cooperation, responsibility, leadership, dependability and last but not least an enthusiastic attitude toward their work.

The latter is probably the hardest to accomplish as interest is not always present. Since this is sometimes true, we should try our best to keep a growing interest in each club. One way of acquiring interest is to participate freely in the duties and activities.

Organizations such as our governmental bodies, pep club and other clubs are very important as they help to make our school what it is today.

Let us really try this year to continue our progress so that pride in our school will be maintained.

L. T. G.

School Spirit

The coming of fall brings cold weather, football games, another brand new school year, and to my mind the subject of school spirit.

Just what is school spirit? Does it mean just being present at some of the games, or does it mean coming with the intent of helping the team. You can, you know, by yelling them on to victory? Is it sitting placidly by, while someone degrades our school or is it calmly defending our team, our school and our beliefs? Is it sneaking away from the hard, unglorified jobs, or is it staying and helping by putting in your part of the work? Is it putting off responsibility until you get around to it, or is it fulfilling the trust that others have in you?

These are only a few of the things that make up school spirit. During the year let's give them a thought when things get rough and it would be so easy to just let them go—let's also remember that whatever we put into things will be returned to us.

Take a look at your school spirit. How do you rate?

In the convocation on September 27, the officers for the '57-'58 student government were elected. Herkey Rupp was elected president; Bill Combs, vice president; and Lucy Manly, secretary-treasurer.

The first meeting was October 9, 1958. The topic of discussion was, "New Ways of Punishment." The duties of the representatives and the purpose of student government were discussed.

The Student Council has had one meeting this year. At this meeting the members made plans for a hot dog supper to welcome the new students to U-HI, and sent a resolution to Student Government recommending that the school laws be enforced and the Student Government become more strict.

The Student Council is making big plans for this year and we would like to congratulate all the officers.

Student Council is sponsoring a bundle drive this week. This is a project to get clothes and shoes for "the Save the Children Federation." The clothes will be collected in the back part of the recreation room and then sent to New York, where they will be shipped overseas to needy children. Please give your support!

On November the eighth the U-High Student Council members attended the state convention of Student Councils at Henry Clay High School. The convention was a lot of fun in addition to being helpful and interesting.

Music Notes

Little Choir

Little Choir held tryouts early this fall and took in seven new members. The new regular members are Ellen Clark, Linda Ethington, and Jeanie Rich. The alternates are Judy Gross, Margaret Ann Wise, Carolyn Mansfield, and Betty Burnett. The new officers are President, Shelia Hargett; Vice-President, Rae Reed; Secretary-Treasurer, Virginia Prewitt; Reporter, Bethania Smith. We congratulate the new members and officers.

Glee Club

The University High School Glee Club is off to a good start this year by practicing for outside activities as well as school performances.

The officers were chosen by the combined Glee Club. Elected were: President, Lady Greenslit; Vice-President, Chuck Maxson; Secretary-Treasurer, Shelia Hargett.

Fall Chorus

Representatives from our school were recently chosen to be in the Fall Chorus. They performed Friday, October 25, at Memorial Hall for the Thirty-Fourth Annual Educational Conference of the University of Kentucky.

Those chosen were: Sopranos—Susan Steele, Ruth Gaitskill, Rae Reed, Winnie Mauser, and Bethania Smith. Alternate sopranos—Malinda Clay and Barbara Rath. Altos—Lady Greenslit, Shelia Hargett, Perry Patterson, Betty Evans, and Pegsie Lisle. Alternate Altos—Nancy Cowden and Carolyn Mansfield. Tenors—Ernest Clarke, Charles Stewart, Mike Flynn, Sammy Adams, and Bill Turnbull. Alternate tenor—Linn Melzer. Bass—Lanny Cox, Allan Tolman, William Yousey, John Howard Williams, and Chuck Maxson. Alternate Basses—Bob Sprague and Charles Turnbull.

Band

The band as well as the whole school is very glad to have Mr. Lawrence Norris as the new band director. He is a former music teacher at Columbia University and Interlocken Summer Camp.

Mr. Norris has initiated something new this fall with his musicians. He has started a string program which includes students from the fifth grade through the high school, who are interested in playing string instruments.

The band has welcomed the seventh grade students as well as several new students in the upper grades to its organization. Mr. Norris expects to present the first concert of the season in the early part of November.

Many of the band members are taking private lessons at the University and these people are bringing back good information for the other members of the band.

Within a few weeks every person in the band will be working with some individual member of his section upon their problems.

PERSONALITY PARADE

Malinda Clay

Charley Turnbull

Malinda Clay entered our class in the eighth grade and has become an asset to the class and the whole school. She participates in many activities and is always on the ball. She is a member of Little Choir, Pep Club, Y-Teens and also treasurer of the senior class this year.

She has many varied interests such as bridge and a certain boy who goes to Exeter.

After high school she would like to go to a girl's college, preferably Salem in North Carolina and major in home economics.

Her ideal man is no secret. She likes them medium height, dark hair and grey eyes. In fact she has been going with Whitt Scott for almost a year.

Malinda, sometimes known as Mirandy, Matilda, Melissa, is a true friend, very industrious, capable, and an all around great girl.

Malinda likes: steaks, cigarettes, Whitt, bridge and having a good time. She dislikes two faced people, and lazy people.

People say about Malinda:

"Darling" figure
 "Loads of Personality"
 "Great all around person"
 "Lots of fun"

Malinda is also known for her good taste in clothes. She has loads of clothes and looks great in all of them. Her favorite color is blue and she looks great in it.

You may have seen Malinda running around the halls working on the Senior class play or working on the Student Council clothes drive. Although Malinda does not have an acting role in the play she is one of the hardest workers.

Malinda is famous for her many slumber parties which are always a great success. I'm sure all of the ones that have attended these parties will agree with me. Lately the Bush house has been entertaining many bridge parties.

We will exhibit progress to you from time to time in ensuing concerts.

It seems only fitting that the vice-president of the senior class should be one of this month's "personalities." Charley Turnbull has been a part of U-Hi since his sophomore year. During that time we have seen him as vice-president of the junior class, sargeant-at-arms of the Pep Club, a member of the basketball team, and a member of the Junior Prom Court. Charley can, also, be frequently seen in the music room, since he is unusually active in music. He is a member of the Glee Club, The Boys Group, and the Fall Chorus.

Charlie has been dating a very cute girl, who is a former student of U-Hi.

Among his many interests are: cars, math, girls and excitement. Charlie has been a very outstanding person at U-Hi and we will be sorry to see him go, but wish him the best of luck.

Charlie has just recently acquired a new '58 Plymouth. We all agree it is one of the best looking cars on campus.

The Turnbull family is noted for its good-looking boys as Charlie has many brothers.

If Charlie was asked what his description of an ideal girl was he would probably give no reply. But obviously she is one with short hair, preferably blonde. She must be medium height with blue eyes.

Charlie is noted for his many good-looking coats. He must have about fifty and all of them the latest style.

People say about Charlie:
 "Good looking"
 "Great physique"
 "Loads of personality"
 "Gets along well with everyone"

Mystery Baby

Clues

This person is at least a six-footer with black hair. This person is interested in cars and also basketball. You are always welcome to this person's classes. As you have probably guessed this person is one of our beloved faculty members. (Answer to mystery baby in the next issue.)

Beta Club

On Friday, September 20, the Beta Club met and elected officers. They are: president, Puddin Newbury; vice-president, Lanny Cox; secretary, Lucy Manly; treasurer, Ernie Clarke. The Beta Club is getting ready for their convention, which is being held in Louisville in December.

The new plan for obtaining new members was discussed. This year the faculty can make nominations for Beta Club and they will be accepted. The club may also nominate persons wishing to become members but the faculty, as in the past, must accept them.

Surprise Party For Miss Peck

Miss Peck was really in for a surprise when Miss Reed and Miss Roser asked her if they could come visit her new house on Saturday, September 28. Instead of just the two coming, sixteen members of the faculty took the trip to Falmouth at three o'clock for a surprise party. They gave her a beautiful gilt frame mirror.

Everyone from U-High wants to wish Miss Peck a very happy birthday and many more to come.

Dr. and Mrs. Cierley Entertained Faculty

The University High faculty and their families enjoyed a Hamburger Fry at the home of Dr. and Mrs. Cierley on September 20. It was a wonderful opportunity for the new faculty members and their families to get acquainted with each other and the other members of the faculty.

Senior High peek-a-boo

Well, here we are back again this year with more gossip and new romances.

First of all we would like to congratulate Susan Steele on going steady. We think it's really great.

Puddin, Malinda, Shelia, Mary Frances, and Elsie seem to be counting days on their calendars. Who's coming home?

Louise Spinney and Bill Yousey are starting a romance. We sure hope it will last.

Bill Varellas has his eye on a red-headed Freshman. Wonder who she is?

Lucy Manly is certainly looking forward to Thanksgiving. I wonder who is coming home from Florida?

I heard Whayne and Tommy have been keeping the mail man busy in Indiana.

Dotty, Linda Lutes, Sara, and Charlotte seem to have an interest at UK. It couldn't have anything to do with the Freshman boys, could it?

While C. V. is supposedly pinning his heart away for Mo, he seems to have quite a list of other girls.

We want to congratulate Tony and Rae, Judy and Billy, Jeanie and Clay, Helen and Bradley, Malinda and Whitt and Shelia and Pat for their long lasting romances.

Masque and Gavel

Masque and Gavel, honorary speech fraternity, has elected its officers for this year. They are: President, Freda Grace Miller; Vice-President, Bradley Switzer; Secretary, Kitty Craig; Treasurer, John Howard Williams.

Plans for an active year and ways to help our school were discussed at the last meeting of the club. Some of them include helping with the Senior Play, assisting with all speech activities in the school, and having special programs dealing with speech and drama. This honorary group would like to help organize new chapters in other schools of Central Kentucky, and arouse interest in better speech among all high school students.

Masque and Gavel's first program this year, was a program on make-up. Fred Sliter, Joe Ray, and Alec Murphy, active participants in Guignol and Children's Theatre gave the demonstration. They showed the method in applying make-up in three categories: Oriental, character, and straight. They explained in detail the process and while doing so they explained the various types of make-up to use.

The demonstration was very interesting and helpful. Masque and Gavel hopes to have many more such programs in this coming year.

U-Hi Lights Welcomes Its New Sponsor

We of the U-Hi Lights staff want to extend an especially BIG welcome to our new sponsor, Mrs. Nellie Dry, whose aid has already proved to be invaluable to us. Mrs. Dry is a native of West Virginia, and she holds the Bachelor of Science degree in Business Education from Concord College; the Master of Science degree in Business Education from the University of Kentucky. She is a member of Delta Pi Epsilon, a National Honorary Fraternity in the field of Business Education. She is teaching part time this year at U-Hi in this field.

Again we wish to thank Mrs. Dry for her helpfulness and inspiration to us, and we are sure that these are only two of the qualities that will prove Mrs. Dry to become one of the most dearly loved members of our faculty.

Mrs. Dry's husband is director of Donovan Hall, freshman dorm for men; and is working on his doctorate at the University in Business Education. She has a fifteen month old daughter named Tina.

SENIOR HIGH CHERLEADERS—From left to right, top row: Helen Warren, Carolyn Mansfield; Second row: Mary Elizabeth Wylie, Carolyn Stivers; Front row: Linda Lutes, Judy Gross, and Lucy Manly.

Fashions

The latest fashions around the U-Hi halls are "crew-neck" sweaters. It looks like it's really going to be a big year for this type of sweater. We have especially noticed the divine shade of baby-blue that Carolyn Mansfield has been wearing. Also, Lucy Manly has quite a few crew-neck sweaters, brown, gray and green.

The latest thing in shirts are those good-looking plaid kilt-wrap around skirts. Helen Warren has a beautiful green one, and Betty Burnett also has a cute red plaid kilt. Rae and Shelia have green kilts, too.

The boys seem to like the striped jackets and blazers. They are going after these crew-neck sweaters, too. Charlie Turnbull has a nice selection of these.

That is all of the fashions for now but we'll be around looking for more new styles and trends next issue.

After the discussion the audience was asked to vote on the amendments. The outcome went as such: No. 1, yes 90, no 44; No. 2, yes 88, no 51.

Pep Club

The officers of the Pep Club were elected last May, they are: Pegsie Lisle, President; Betty Evans, Vice-President; Tay Maxson, Secretary; Tommy Adams, Treasurer; and Tim Hanson, Sergeant-at-arms. The Pep Club is trying to raise money for a scoreboard by selling various things such as: T-shirts, scarves, pennants and schedules.

On October 12 the Pep Club had a Sok-Hop in the gym. Len Carl from WLAP came and played the records. It was a big success; they cleared \$85.

Y-Teens

The University High Y-Teens got off to a fine start with its first meeting at Perry Patterson's farm, September 20 at 5:30. The Y-Teen officers which were elected last school year, are: President, Perry Patterson; Vice-President, Betty Evans; Secretary, Helen Hamilton; Treasurer, Pegsie Lisle; and Inner-Club Council Representative, Tay Maxson. The program consisted of the devotional, reading of the committees, introducing the officers, and a talk on the purpose of Y-Teens.

The next meeting was at the Y.W.C.A. on October 4 at 6:00. A film on brotherhood was shown and the new Y-Teen leader was introduced.

The following gathering was a Y-Teen picnic for Henry Clay, Lafayette and U-High. It was held at Castlewood Barn, October 14, at 6:00 p.m. The program consisted of several monologues and dramatic readings given by Lafayette.

With about fifty girls, U-High, is sure to have a fine Y-Teens this year.

To become a member of Y-Teens a girl must attend three meetings at any time during the year. We hope that all the girls who are eligible to become members will.

Junior High News

Fashion Hit Parade

At the top of the Fashion Hit Parade are the ever popular crew neck sweaters. All the freshmen girls seem to love them, and their most popular color is gray.

This year the monogram sweaters and blouses are still tops among the U-Hi girls. They have come out recently in many different color varieties and have held their popularity for a long time.

Also, the darling matching outfits still rank high in the fashion parade.

That's it for the Fashion Hit Parade now. See how your favorite outfit ranks next issue.

Wonder who Lee's latest heart-throb is? She skips from a senior to a junior each week. She's flirting with Flint now.

Andy Nave has an admirer in the tenth grade. How about it Rufus?

Betsy is boyless! So boys start to work. She is a darling girl!

Susan H. is another girl who is a doll and unattached!

Susanne is still having fun at those M.M.I. dances. What about the last dance Susanne?

Melinda had a lot of fun at the M.M.I. dance, too. It turned out that her blind date wasn't so bad.

All the 9th grade girls think that Joe Dickey is for real. Beware you 7th grade girls. Grrrr!

Barbara had an "Affair to Remember" this summer which she won't ever forget. But she's back on a sixth grade love affair now.

Pat Witt is a living doll and the boys seem to think so, too.

Oh No! Not another Manley to go through high school. (Just kidding.)

Student Government

The Junior High Student Government held its first meeting October 9, 1957, with Frank Dickey the newly elected president presiding. The other new officers are: Robert Walker, Vice-President; and Phyllis Wall, Secretary. Sports

The Purples started their full-scale practice program Monday, October 7, with a roster of 22 boys from the ninth through twelfth grades. They are: Bill Taylor, Bradley Switzer, Herky Rupp, Chuck Maxson, Lanny Cox, Ernie Clark, William Yousey, Jim Varella, Charlie Turnbull, John Howard Williams, Allen Tolman, Bill Bryan—all seniors.

The juniors include: Bob Sprague, C. V. Ethington, and Mike Flynn. Sophomores — Bill Moore, Clay Brock, Don Paris, Jack Russell, Bill Warren and Bobby Reeves. The one freshman is Frank Dickey.

The starting five will be decided later by Coach Huff and Assistant Coach Calvert. The team has been working very hard, and has hopes of a good season.

Bill Moore and Clay Brock from the tenth grade have been looking very good in practice.

The spirit of the team is very good and all the players are very enthusiastic about the coming season.

The coaches hope the student body will be as enthusiastic as the players because their full support is bound to help make a better team.

The University High Purples lost their first game against Lexington Catholic, November 8, 27 to 58. The outstanding boy singled out by the coaches was Bob Sprague in the A game for his spark and will to win. Although the boys didn't win their first game we noticed an exceptional improvement and know they will do better in the games to come.

Sophomore Hayride

The sophomore class of 1957 had a hayride at Nancy Cowden's camp on the Kentucky River, October 3. The chaperones were Mrs. C. H. Evans and her husband. The idea was to raise money for the sophomore dance in February. They left about five o'clock and returned around twelve o'clock p.m. There were two truck loads of boys and girls. The hayride was quite a success and we wish all the sophomores good luck on their dance.

Students Appear On Television

We are very proud to have been represented on television by Joe Curry and John Howard Williams, on October 8, at 1:00 on the Betty Maxwell Show. Reverend Steadman Bagby was in charge of the discussion on the problems of narcotics and addiction today. Some very important and interesting facts were presented as to the whys of narcotic addiction and what can be and is being done about it.

PERSONALITY PARADE

Landon Greaud Cox, Jr.

Lindsay Nunn

We, as students of U-Hi, have been fortunate to have Landon Greaud Cox with us for fourteen years. Landon, confused by the world about him loafed through kindergarten and, alas failed. Whatever motive possessed him is unknown but he made a valliant comeback and rose to such heights as to be voted the outstanding boy of the Junior Class as well as holding such esteemed offices as President of Student Government, Vice-President of Student Council, and Treasurer of the Beta Club. This, his Senior year, he has been elected President of his class, again Vice-President of Student Council, and Vice-President of Beta Club. He has also been an outstanding member of the basketball and tennis teams for several years.

As well as possessing the qualities of leadership both athletically and scholastically, he is a proficient musician. Not only is he a practiced tuba-ist, trombonist, and baritonist (as well as a dabbler at the piano, bass, and guitar) but he is in every singing group except Little Choir and Double Trio. For this reason he is indispensable to both band and Glee Club.

Among his extra-curricular activities we find him stirring the ashes of an old flame.

Lanny is very anxious to be granted an appointment to Annapolis. On this score we wish him all the luck in the world!

We know that Lanny's leadership, scholarship and dependability will be missed at U-Hi in years to come.

Lindsay has been at University School for 12 years during which time she has come to be called "Lin." We all think of Lindsay as a very dependable person.

"Lin" has always had a very good scholastic standing at U-High. She is continually kept busy by Masque and Gavel, Beta Club, Little Choir and this year's Senior Play. She is, also, the business manager of the annual and the treasurer of her class.

If you drop in on "Lin" most any time, you will find her listening to semi-classical music, reading a historical novel or playing bridge.

Her main interest is the theatre in which she shows a great talent. "Lin" has taken part in some of the Guignol Productions and the drama festival play. She now has one of the leads in the Senior Play.

Lindsay's pet peve is insincerity. She loves clothes, especially blue ones (her favorite color). She is very athletic and almost a tomboy at heart. We think she is worthy of personality parade for our first issue of the U-Hi Lights.

Lin is a great girl and loads of fun. Her personality is always bubbling over, but when the time for seriousness comes she is ready for it.

Because of Lindsay's many outstanding qualities, we know she will always have plenty of opportunities open to her, and we wish her the best of luck in everything she does.
