ABBAY OF GETHSEMANI TRAPPIST KENTUCKY 40073

---

April 21. 1966

Dear Victor

I am returning your "pebbles" as you requested. Hope you are feeling better again & can get along with them. I may come this way soon. I am recovering, apparently, from the operation but all is not over yet - & I cannot do much work.

Do rest & keep well. Best wishes & blessings to you & Carolyn, & warm regards always

in Christ

Tom -
