Dear Victor:

I am sorry to hear you are having an operation and that on this account we will not be able to get together next Saturday. I do not know if I am going to be in Louisville in the time while you are hospitalized, but if I am I will try to see you. What hospital will you be in?

I shall pray that everything goes well. I hope all will be most successful and that your vision will be greatly improved. Best wishes to you and Carolyn, and let me know when you will be well enough to travel down here. I think almost any Saturday in August will be good for me.

God bless you always. in Christ,

Tom
