Staff Picnic Planned:

The Library Staff Organization is planning a picnic for all library staff and their families to be held Friday, June 10, 5:00 p.m. at Jacobson Park. Sign-up sheets will be sent to all departments within the next week. If you have not yet paid your LSO dues now is the time to do so; full-time staff -- \$1.00 for the remainder of the year and part-time staff (associate members) who work less than 32 hours per week -- 50¢. Dues should be paid to Mary Welch, Cataloging Department MIK-North.

Data Services Slide/Tape Caramate:

Now ready for viewing is a CARAMATE slide/tape produced by the UK Media Services Department. It features a costumed mime portraying a potential patron learning about the online bibliographic search service. It is about 7 minutes in length and will be used in a variety of lecture, demonstration, and individual instruction situations. Staff members who wish to view the production can call Trudi Bellardo in Data Services.

New SPEC Kit in Reference:

The Reference Department of M. I. King Library has received a new SPEC Kit (#31) entitled "allocation of resources in academic libraries." The survey is based on the response of 70 Libraries and deals with three specific subjects within the general topic of resource allocation in libraries: strategic approaches to financial retrenchment; procedures used by research libraries to make fundamental allocation decisions; and areas where libraries are experiencing significant allocation reductions. The kit will be filed behind the reference desk. Anyone who is interested is welcome to borrow the kit for a few days.
