I pledge myself to raise and pay back to the full nominal value of all ^{unpaid} coupons subscribed and paid by Citizens of Mercer County - to the Endowment of Ky University which may be claimed by them, and I also pledge myself to pay back all of the Bacon College scholarships subscribed and paid in full by any Citizen thereof, and which may be also claimed by them - On Condition that they withdraw all opposition to the removal thereof from Harrodsburg.

I give my name with the understanding that my judgment of the removal of R. G. Peirson is not changed. I still regard it as unjust to the citizens of Mercer County; but put my name to the paper in the spirit of compromise; that is, believing it better to be defended than go to law.

Yours very truly

H. T. Anderson.

P. S.

If the paper is to go to Frankfort with my name to it, this note must go along with it.
