

Leaving for June 12 1872

To the Elders of the Main St Christian
Church

Dear Brethren

In reply to your
inquiry "What do we mean by the
term "All matters of difficulty and
prevalence," in our Proposition for an
arbitration between the Main St
Church and Regent Rowman and
others. We state we meant only
such matters as are relevant to
the main questions at issue be-
tween the parties, ~~the resolution of~~ such matters to
be decided by the arbitrators

Rm Bishop
John Estlin
J F Smith
