DR. OTIS A. SINGLETARY
President, University of Kentucky

THE UNIVERSITY OF KENTUCKY **. . . The State Is Our Campus**

Located in Lexington, an urban community of over 155,000 population in the heart of Kentucky's famed Blue Grass region, University of Kentucky is a state-supported, land-grant institution which celebrated its centennial year in 1965.

The present school, which has an enrollment of approximately 31,500 students and now offers instruction in 10 academic colleges plus a Graduate School and a Community College system of 13 centers, had its beginnings in 1865 when it was established as a part of old Kentucky University. This action by the State Legislature united sectarian and public education under one organization for the first time. Federal funds authorized under the Morrill Act were used to develop agriculture and mechanical arts within KU and, in 1878, A&M College was separated from KU to become a separate state institution on the general site of what is now the 706 acre main campus. Name changes in 1908 and 1916 resulted in the title by which the school is now known.

It is fully accredited in its respective colleges and departments by all of the major professional societies and educational organizations.

President of the University is Dr. Otis A. Singletary, who came to Lexington in 1969 from the University of Texas, Austin, where he was executive vice chancellor for academic affairs.

Dr. Singletary, who is eighth president of the University, served a total of eight years at Texas, progressing during seven (1954-61) of those years from instructor to professor, associate dean of Arts and Sciences and assistant to the president. Then for five years (1961-66), he was chancellor of the University of North Carolina, although he was on leave from October 1964 to January 1966 to serve as director of the Job Corps, Office of Economic Opportunity.

ATHLETICS AT KENTUCKY

Kentucky's athletic program, a well-balanced and ambitious activity featuring intercollegiate competition in ten different sports, is organized under the Department of Athletics and a corporation known as the University of Kentucky Athletics Association.

The program is conducted without overemphasis or sacrifice of educational objectives and in strict compliance with the rules of the University, the Southeastern Conference and the National Collegiate Athletics Association.

A board of directors, headed by the President of the University in the capacity of chairman, maintains overall policy supervision of the athletic program.

In addition to the UK President, board officers include the Vice-President for Student Affairs as vice-chairman and Dr. W. L. Matthews in the capacity of secretary. Fourteen other men, drawn from the University faculty and the general public, also serve on the board as appointees of the president as do two student representatives.

Supervising the steady growth and balanced development of the athletic program is Athletic Director Harry C. Lancaster.

The Association's Board of Directors is composed of the following:

MEMORIAL

Kentucky's athletic complex off Cooper Drive was named "The Bernie A. Shively Sports Center" in April, 1969, in memory of the distinguished Wildcat director of athletics who died of a heart attack at his home December 10, 1967.

Shively joined the Kentucky staff in 1927 as football line coach, following a brilliant athletic career at Illinois. An All-American as a blocking guard for Red Grange, he also was Big Ten heavyweight wrestling champion and a track standout. He was named to the Helms Hall of Fame last July.

In 1933, he was appointed head of the UK Physical Education Department, and five years later became director of athletics. He continued coaching until 1946, handling football, track and baseball at various times.

Under his leadership, Kentucky greatly expanded and improved its physical facilities and developed a fine athletic program.

HARRY C. LANCASTER
Director Of Athletics

Administration of the University of Kentucky athletics program is under the guidance of Harry C. Lancaster, who was named acting A.D. in September 1968 and permanent A.D. three months later.

One of the first challenges facing Lancaster during his "acting" tenure was to obtain a football coach to replace Charlie Bradshaw, who resigned unexpectedly. John Ray accepted the challenge. Three years later, Lancaster announced the appointment of Joe B. Hall to replace the legendary Adolph Rupp as head basketball coach. Both appointments met with popular approval.

Lancaster has applied his energies in other areas, hiring coaches Ron Huebner, swimming; Jordan Horne, baseball, and Dan McQueen, golf, all outstanding in their sports as UK undergraduates, thus placing the accent on a youthful staff.

Capital improvements under Lancaster include a new roof for the Coliseum, new surface on the all-weather running track, plus a press box and additional seating at the track events and new scoreboards for football and track.

The latest achievement is a new football stadium to be completed in 1973.

From 1946 until 1970, Lancaster was known primarily as the No. 1 assistant to Coach Rupp. His freshman teams compiled 204 victories against only

57 losses. He served 16 seasons as head baseball coach and gave the school its winningest seasons in history by compiling identical 18-8 marks in 1959-60.

A native of Paris (Ky.) High School, he lettered in football, basketball and baseball under Coach Blanton Collier. At Georgetown College, he lettered in football, basketball and baseball for three years and twice captained the football and basketball teams. He was Student Body president and president of Kappa Alpha Social Fraternity his senior year.

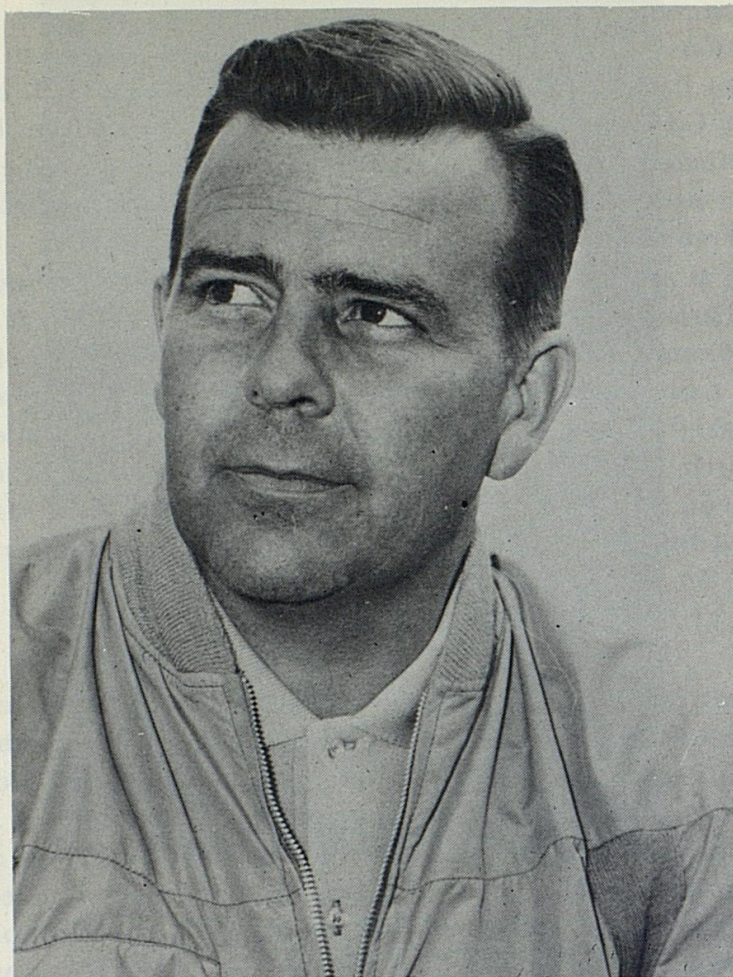

He served as assistant football and basketball coach at Georgetown College (1932-33) and Paris High School (1933-34), head basketball coach at Bagdad High School (1934-36) and principal and coach at Gleneyrie High School (1936-42).

Lancaster earned his master's degree in 1943 while serving as a part-time assistant in basketball and full-time instructor in Physical Education from Sept. 1942 until March 1944, when he entered the U.S. Navy as a Seaman 2/c. He advanced to lieutenant (SG) and returned to the University in March, 1946, in time to assist Rupp in winning UK's four NCAA basketball championships of 1948-49-51 and '58.

Traveled To Greece In 1951

In his own right, Lancaster has traveled extensively and received a signal honor when he was invited to prepare the Greek National Basketball Team for the 1968 Olympics. A return six-week tour in Athens was cancelled when Lancaster was asked to stay home and serve as acting athletics chief of staff.

Lancaster had traveled to Greece in the summer of 1951 on a special athletic assignment for the U.S. State Department. The mission called for him to act as an advisor to Greek Basketball Federation officials in Olympic procedures and other matters. He also conducted numerous clinics and coaching schools and gave public lectures on the cage sport. During the summer of 1962, he helped Coach Rupp conduct clinics for Army personnel in the Far East Theater and worked with Rupp on the team's Middle East Tour in 1966 and a clinic in Germany in the summer of 1967.

HEAD COACH JOHN RAY

After three seasons as University of Kentucky head football coach, John Ray feels his program has "turned the corner." The Wildcats had their "down" moments in 1971, but displayed steady improvement, thanks to talented underclassmen recruited by Ray's staff.

The coaching alignment this season is virtually the same, assuring a continuity and harmony that should enhance the situation.

In addition, Ray has at his disposal a fine crop of freshman signees. Although freshmen are eligible to participate on a varsity level in the Southeastern Conference this year, few coaches believe they will get much help from the yearlings. However, in Kentucky's case there are some skilled freshmen performers who could help the varsity as the season progresses.

Ray's arrival on the U.K. campus in December, 1968, was at a rather inopportune time for recruiting outstanding prospects, many of whom had already decided to cast their lot elsewhere. However, his staff went to work immediately and recruited a representative freshman team.

When the next recruiting season rolled around, Ray had his organization in fine shape; the result was a freshman team that lost only to Ohio State, 10-7, at Columbus. Last year's freshman crop, leaning more toward linemen and de-

fensive players, also finished with a 4-1 record, indicating the type of talent recruited by Ray.

During the past season, Ray had as many as nine of his first "crop" of recruits starting on the offensive and defensive teams. Those players figured heavily in Wildcat statistics and should be better for the experience. Along with upcoming talent from the freshman team and the possibility of adding a few recruits to the roster, Ray has good cause for optimism.

Ray came to U.K. from Notre Dame, where he was assistant head football coach. A native of South Bend, he graduated from John Adams High School in June 1944 and was a regular center three months later at Notre Dame.

He joined the paratroopers, served in the Pacific and returned to Notre Dame in time for spring practice in 1947. He transferred to Olivet College in Michigan, where he played three seasons of football and also was afforded an opportunity to be a student assistant on the coaching staff of Frank Ham, who had moved up from John Adams High.

Ray received his bachelor's degree in history at Olivet and then coached in Michigan for five years, first at Sturgis High School and then at Three Rivers. He gave Three Rivers its first state championship team. He became an assistant at the University of Detroit for four years and then assumed the position of head coach at John Carroll University in Cleveland.

As head coach at John Carroll from 1959-63, he masterminded a very successful small college program (29 wins and six losses) and set several national records in defense, putting together his tactical methods of offense and defense which brought recognition in national coaching circles.

Ray was at John Carroll in 1964 when Parseghian was brought to Notre Dame from Northwestern. Parseghian chose Ray as his chief defensive assistant and persuaded the South Bend native to leave his head coaching position at John Carroll.

A member of the Catholic Church, he received his Master's Degree from the University of Michigan in educational guidance and counseling. Ray is married to the former Barbara Fuller of Muncie, Ind. They have four children: Jeff (born in 1954), Kathy (1956), Debora (1958) and Chris (1960).

GALS' COACH FIRST UK MENTOR

Prof. A. M. Miller, who became Kentucky's first football coach in 1892, was chosen because he had learned about the game from sideline observations while a student at Princeton. His only previous coaching experience was at a girls' school in Pennsylvania.

WILDCAT COACHING STAFF

FRANK HAM

Administrative Assistant

Entering his fourth season as the good right hand of John Ray, Ham has proved a most versatile man of many skills. With duties ranging from coordinating recruiting to public relations to serving as a "buffer" or go-between for Ray during the coach's busy times, Ham is a most handy fellow. He brought to Kentucky a fine record as a coach and administrator and still enjoys donning practice togs after regular working hours and joining the team on the field. He began his coaching career at John Adams High in South Bend, Ind., where Ray was a member of the squad. Ham later coached Ray at Olivet College in

Michigan. A native of Scranton, Ham graduated from high school at Niles, Mich., and completed his undergraduate work at Olivet. He did graduate work at Indiana University and coached football and track at John Adams in 1941-46, was football and basketball coach at Niles in 1944-46 and then returned to Olivet as athletic director and football and basketball coach. He gave up duties as athletic director in 1952 to become assistant to the president, with responsibilities primarily in public and alumni relations. He "worked into" a Chevrolet agency in Cassopolis in 1954 and sold the agency in 1968. His duties include co-ordinating recruiting efforts and handling personal matters for Coach Ray.

OFFENSIVE COACHES

CARROLL HUNTRESS

Backfield

After guiding the 1970 freshman team to four victories and a close (10-7) loss to Ohio State at Columbus, Huntress, who came to U.K. as offensive line coach with John Ray, moved back to the varsity scene and supervised the Wildcat "Wishbone-T" backfield last year. A graduate of the University of New Hampshire, he starred in football, lacrosse and track and was captain of lacrosse and All-America in the sport. He was fullback on a football squad which had a 27-2-1 record, including an undefeated season, in his three varsity years. He also ran dashes and hurdles for the track team. He came to Ken-

tucky from Bucknell, where he had two years remaining on his contract. During his first year there, he molded a graduation-depleted squad into an exciting team which gave Bucknell its first conference championship. Huntress was named Pennsylvania College Coach-of-the-Year for that feat. His 1967 team finished third and his 1966 team second in the conference. In 1968, the Bisons lost the championship to Delaware in the final game of the season. Huntress attended Thornton Academy in his home town of Saco, Maine, and served a hitch in the Marines, earning battle stars for Tarawa, Kwajalein, Saipan and Okinawa in World War II. He had coaching duty at Mechanic Falls (Maine) High (1 year), Portland High (10 years) and was an assistant at Maryland from 1960-1964.

HAROLD T. (HAL) HUNTER

Line

Hal came to the University last year from Duke, where he was offensive line coach, and proved a capable judge of talent. A former guard and linebacker, he was captain of Pitt's 1955 Sugar Bowl team and a member of the All-East and All-Bowl squads that season. He also was fourth in National AAU wrestling and a guard for the Pittsburgh Steelers in 1956. He lettered in football, wrestling and track at Canonsburg, Pa., High and received his B.A. at Pitt and M.A. at West Virginia University. He began his career as football and wrestling coach at Avella Senior High in Pennsylvania in 1957-58 and moved to Washington & Jefferson College in Pennsylvania as defensive coordinator and wrestling coach the following year. He was chief assistant in charge of offense at the University of Richmond (1959-61), offensive line coach (1962) and offensive coordinator (1963) at West Virginia, and offensive line coach (1964-65) at the University of Maryland before joining Duke in 1966.

GEORGE SEFCIK

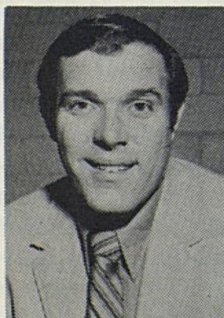

Receivers

Another original staff member of John Ray at U.K., Sefcik is serving in the same capacity as in 1971. An all-around athlete, he entered Notre Dame in 1958 and, until graduation in 1962, earned five monograms. He played left halfback from 1959 through 1961, gaining 789 yards for a 4.8 yard per carry average and also caught 21 passes for 367 yards. He averaged 35.8 yards on 52 punts and was a top defensive halfback, making 98 tackles, breaking up 16 passes and intercepting eight. He earned his other two monograms in baseball as a second baseman in 1961-62 and his .367 average led the team. Prior to entering Notre Dame, he attended Benedictine High School in his native Cleveland where he competed in track, basketball, baseball and football. After graduation from Notre Dame, he worked under present Irish assistant Joe Yonto at Notre Dame High School in Nilus, Ill. He returned to his alma mater in 1964 to continue work on a master's degree in education while a member of the staff of Coach Hugh Devore.

DICK TATE

Prep Coach

Progressing from a graduate assistant at U.K. in 1969 to a full assistant last year, Tate now will apply his abilities to the prep team. A native of Mattoon, Ill., he earned three letters each in football, basketball and track and one letter in baseball, and also served as football and basketball captain at senior high there. He was All-conference in football and basketball and all-state in football. Hailing from a family of athletes—brothers Bill, Jim and Reg played collegiate and pro football—Dick cast his lot with the University of Illinois and played defensive end. He came to U.K. in John Ray's first season.

DEFENSIVE STAFF

DAVE ADOLPH

Linebackers

Returning as linebacker coach, Dave is an original member of John Ray's staff. A native of Akron, Ohio, he served three years as offensive line coach and one year as defensive coordinator at the University of Connecticut. He lettered in football and baseball at Mogador High in Akron and attended the University of Akron, where he was team captain two years, earning All-Ohio Conference and outstanding lineman (1958) honors. He served as a lieutenant in the Air Force from 1959 to 1962 and was selected All-Air Force guard in 1960. He began his coaching career at Shaw High in East Cleveland and joined Akron as offensive line coach the following year. He served Akron two years before going to Connecticut.

DAN SEKANOVICH

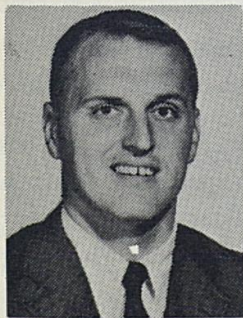

Line

Sekanovich came to U.K. in 1971 after serving as a defensive assistant at the U.S. Naval Academy, where he served three years under Rick Forzano. Sekanovich also was with Forzano when the former Navy coach made his head coaching debut at Connecticut in 1964. When Forzano left for the NFL St. Louis Cardinals in 1966, Sekanovich remained at Connecticut before moving to Pittsburgh as head defensive coach in 1968. He then joined Forzano the following year at Navy. A native of West Hazleton, Pa., Sekanovich won All-Regional honors in both football and basketball there. At the University of Tennessee, he played on Gen. Bob Neyland's 1951 national championship team and appeared with the Vols in both the Sugar and Cotton bowls. Following graduation in 1954, he spent two years in the Canadian League and two more in the Army before becoming head coach at Southington, Conn., High, where his teams were 14-4 in three seasons. He entered the collegiate ranks at Susquehanna University in 1961. As top assistant to Jim Garrett, he helped the Crusaders fashion a three-year log of 25-1-1.

ALEX GIBBS

Backfield

With the memory of safety Darryl Bishop's last-second interception and scoring run in a 14-7 victory over Vanderbilt still fresh on his mind, Gibbs returns for his second year as defensive backfield coach. A native of Thomasville, N. C., where he was a high school football, basketball and baseball star, Gibbs is a graduate of Davidson ('63), where he was leading rusher three years and captain his senior year. He was an assistant one year each at Garinger High in Charlotte and Albermarle before spending three seasons as head coach at Mt. Airy, N. C., where he coached two championship teams and had a record of 27-7. He coached defensive ends at Duke in 1969 and was defensive backfield coach there in 1970.

PAUL MORAN

Assistant

Moran joined the Wildcat staff as a graduate assistant last year. A native of Chicopee, Mass., he earned three letters each in football and hockey and two in baseball at Cathedral High in Springfield, where he was All-City and All-League in both football and hockey. At Central Connecticut State College at New Britain, he was an All-League defensive tackle and was named to the ECAC weekly team. During his three years of association with the varsity, Central compiled a 23-3 record and was unscored on its first six games in 1965. After graduating in 1968, Moran was a graduate assistant two years and assistant freshman coach one year at the University of Connecticut.

OTHER STAFF MEMBERS

JOE HAERING

Assistant Varsity and Freshman Coach

Haering returns for his second year as head freshman coach. Last year, he guided the Young Wildcats to a 4-1 record. A native of Pittsburgh, he joined the U.K. staff as a graduate assistant in 1969. At Central Catholic High, he was an All-Catholic quarterback and most valuable player. He lettered three years as an All-Conference linebacker at Bucknell and was linebacker coach there in 1965. After entering the Army, he coached basketball and boxing one year at Ft. Eustis, Va., before spending one year as a company commander in Vietnam. He returned to Bucknell as linebacker coach under Carroll Huntress in 1968.

ROY DON WILSON

Trainer

Now in his third year as Wildcat trainer, Wilson came to the University from The Citadel, where he was head trainer two years. A native of Texas, he is a graduate of Amon Carter Riverside High in Fort Worth. He received a B.S. degree from Texas A&M with a major in physical education and a minor in business. He also received a corrective therapist certification from the VA Hospital in Houston. After serving as a student trainer at Amon Carter and A&M, he was head trainer two years at Ector High in Odessa before serving two years as assistant trainer at Florida State University.

ORIGIN OF "WILDCATS" NICKNAME

Kentucky's athletic teams are known to sports fans as the Wildcats. This first and only nickname borne by University varsities had its origin in 1909 in a speech made by Commandant Corbusier, then head of the military department of old State College. Speaking to a chapel audience of students on the showing of the Kentucky football team in defeating Illinois six to two, the Commandant declared "they fought like Wildcats." The tag was popularized by word of mouth and by the press with the result that it has since become synonymous with all major Kentucky athletic teams.

STOLL FIELD 'COW PASTURE' BIRTHPLACE OF DIXIE FOOTBALL

University of Kentucky's campus boasts the distinction of serving as the birthplace of Dixie football. Ironically, however, the forerunners of the present day Wildcats were not involved in the early grid contest.

The first intercollegiate football game ever played in the South, and probably the first to take place west of the Alleghenies, came about April 9, 1880, on old Stoll Field. This gridiron, located adjacent to the present U.K. stadium, was the site of the early tilt which saw Kentucky University (now known as Transylvania College) take the measure of Centre College, 13¾ to 0. The match, which was said to resemble a combination of soccer and rugby, followed by only six years the introduction of the game of football to the United States.

University of Kentucky (then called A & M College of Kentucky) did not play its first game until a year later on the same field, which once served as the private pasture for University President James Patterson's bovine herd.

SPORTS INFORMATION STAFF

SPORTS INFORMATION DIRECTOR—Russell Rice was named sports information director at UK in May, 1969, after serving two years as assistant to Ken Kuhn, who retired after more than two decades of service with the University. Rice came to the Wildcats from The Lexington Leader, where he was a general reporter eight years and sports editor five years. A native of Paintsville, Ky., he won letters in football, basketball and baseball at Van Lear High. After serving with the U.S. Marines in World War II, he attended Kentucky Wesleyan College and received his bachelor's at the University of Kentucky in 1951. He has

served as president of the Southeastern Conference Sports Information Directors Association and chairman of the Basketball Hall of Fame Committee of the College Sports Information Directors Association and was recipient of the 1971 Churchmen's "Sportswriter of the Year" award. He is married to the former Miss Doris Thacker of Knott County. They have four children—Mrs. Rodney Morris of Louisville, Russell James, 20, Judy, 18, and Kim, 7, all of Lexington.

ASST. SPORTS INFORMATION DIRECTOR—Jack S. Perry came to the University in March, 1970, after 15 years service in the library of The Lexington Herald-Leader. A native Lexingtonian, he is a son of Mrs. Frances Perry, 1910 Pershing Drive, and the late David P. Perry, who operated barber shops in Lexington from 1925 until his death in 1963. Jack attended the University in 1949-50 before entering the U.S. Air Force, where he served from 1950 through 1954 as an airborne radio operator aboard B-29s. He joined The Herald-Leader as assistant librarian in March 1955 and was named head librarian upon retire-

ment of Frank Roberts in the spring of 1960. Jack is married to the former Miss Barbara Sanders of Lexington. They have four children—Patti, 19, Debbie (Mrs. Bill Case), 18, Jack David, 14, and James Todd, 12, all of Lexington.

SERIES HISTORY: The football rivalry between the two Wildcat teams dates from their clash in the Great Lakes Bowl at Cleveland in 1947. Kentucky annexed a victory in that first post-season venture, and demonstrated overwhelming superiority in eight contests held during a nine-year period. The record shows only one vic-

tory for the Philly Cats, but the Main Liners have always proved sizeable and dangerous. They held Kentucky to a 24-14 victory in that bowl game and then tied Coach Paul Bryant's crew, 13-13, the following year. Skipping the year 1949 in the series, Kentucky won again in 1950 (34-7) and 1951 (35-13). Villanova got its only victory, 25-6, in 1952. Kentucky won, 19-0, in 1953, 28-3 in 1954, and 28-0 in 1955.

1972 OUTLOOK: Major areas of concern are the replacement of two senior quarterbacks and a major portion of the offensive line. Coach Lou Ferry, entering his third season, feels he has some excellent talent but is concerned about the obvious lack of experience at these positions. Juniors Mike Sunday (6-0, 200) and Tom Karczewski (6-2, 190) plus sophomore Bill Hatty (6-2, 190) are strong prospects at quarterback.

The running back position sports some experience but lacks size. Returning are Lionel Shaw (6-0, 190), Duane Holland (5-7, 207), John Brown (6-0, 190) and Ed Farmer (5-10, 185). The offensive line has only two returning veterans, Nick Sremenak (6-1, 225) and Bill Turchetta (6-0, 225). Others with experience are Ken Byrom (6-3, 215) at center and Frank Seeley (6-4, 235), offensive tackle. The tight end position looks strong with returning starter Bill Malast (6-3, 210) and sub Bob Schaeffer (6-1, 200). Back in action will be Dennis Stufflet (6-4, 215), a starter two years ago who sat out last season with a knee injury.

Replacing All-American Mike Siani, Oakland's first-round draft choice, will be a tremendous task. The returning crop of receivers, however, is talented and experienced. Bob Carpenter (6-0, 180) who developed rapidly as a receiver, leads the field along with Steve Bilko (6-2, 186).

Lost from defense is John Babinecz, drafted in the second round by the Dallas Cowboys and considered probably the best linebacker ever to play at Villanova. Returnees, however, will make the defense big, strong, tough and mobile. Besides Babinecz, the loss of Pat Hurley will be felt at linebacker. However, experienced returnees such as Kevin Reilly (6-2, 212), Ed Sforza (6-3, 205), Jere Brown (6-2, 190) and Kevin McHugh (6-0, 215) will help. Sophomore All-American Frank Polito (5-11, 170) leads the secondary. Polito led the nation last season in interceptions with twelve and set an NCAA record with 261 yards of return yardage. Safety Kevin Dobbins (5-11, 170) and sometime starter Paul Selitto (5-10, 170) also return but depth will pose a problem.

Summing up, Villanova will have an inexperienced team on offense with many king-sized holes to be filled. Quick development of a quarterback is a must and lack of depth on the offensive line is a glaring weakness.

SERIES HISTORY: The Wildcat-Tide series began with a 28-0 Alabama victory in 1917 in Lexington and the Crimson has had things pretty much its way, losing only one time in 25 struggles. That lone Wildcat victory came in the second of the series, with UK winning, 7-0 in 1922 at home. The last game was a 13-0 Bama victory in 1947. All told, the Tide has whitewashed the Wildcats 13 times. The biggest points total was a 60-19 Tide victory in 1945 at Louisville.

1972 OUTLOOK: Bama returns six offensive starters and five defensive front-liners, as well as three specialists. Offensive starters back are left tackle Jim Krapf, right

guard John Hannah, right tackle Buddy Brown, quarterback Terry Davis, right halfback Joe LaBue and fullback Steve Bisceglia. Defensive regulars returning are right end John Mitchell, strongside linebacker Jeff Rouzie, middle linebacker Chuck Strickland, strong safety Lanny Norris and free safety Steve Wade. Specialists back are placekicker Bill Davis, punter and kickoff man Gregg Gantt and punt and kickoff return man Bobby McKinney.

The biggest weakness appears to be the defensive line. Graduated from the front four are All-American Robin Parkhouse, three-year starter Terry Rowell and Jeff Beard. Only Mitchell returns as a starter. At linebacker the situation will be good if Rouzie, a two-year starter hurt in an accident, can play.

The defensive backfield returns two-deep at both safeties with Wade backed by Wayne Adkinson and Norris by David McMakin. McMakin was another considered a first teamer last year and Norris could be moved to cornerback.

The offensive line has three legitimate All-American candidates in Hannah, Krapf and Brown (all were named on various teams last year). Krapf could be moved from tackle to center. Other line prospects are letterman Pat Raines, red-shirted Rand Lambert and sophomore Mike Dubose at center; junior letterman Morris Hunt, juniors Rick Rogers and John Rogers, redshirt sophomores Steve Sprayberry, Mike Denson and Steve Patterson; and sophomores Bob Bryan, Steve Kulback, Richard Whitley and Rick Meadows at guards and tackles.

SERIES HISTORY: Although the Wildcats and Hoosiers first met in a 24-24 tie at Lexington in 1893, the series between the neighboring rivals is only 11 games old, with three of those games played during the past four years. The teams fought on

even terms in the early going, with Kentucky winning in 1904, Indiana in 1905, Kentucky in 1918 and Indiana in 1919. The Hoosiers got the upper hand with a 14-6 victory in 1927 and never looked back, winning, 21-0, in Lexington in 1927 and then taking the three modern games, in 1967-1969-1971. The 1969 meeting was a spectacular affair. With ABC color television cameras grinding, John Ray made his debut an exciting one as the Wildcats fell way behind and then rallied to close the gap before losing, 58-30. Indiana won in 1971 to take a commanding 7-2-1 lead in the series.

LAST MEETING: Sept. 18, 1971 (Bloomington) IU 26, UK 8—Fresh off an opening game victory over Clemson, the Wildcats were expected to take the measure of the Hoosiers, who lost their opener, 28-0, to Minnesota. However, John Ray's forces were demoralized by a scrawny 6-foot, 160 lb. junior from Gothenburg, Sweden, Chris Gartner, who started the scoring with a 32-yard field goal after Wildcat QB Bernie Scrugg's fumble on an option play was recovered by Indiana. Gartner later kicked field goals of 47, 47 and 39 yards, giving the Hoosiers a 19-0 lead before the Wildcats scored as the result of a pass interference called in the end zone.

1972 OUTLOOK: The over-all objective of Indiana is maintaining the momentum generated late in the 1971 season. The Hoosiers finished strong, downing Iowa and Purdue at the end and narrowly missing three in a row when Illinois came from behind in the closing minutes for a 22-21 victory. And largely ignored in the wake of the 3-8 season was the fact that the Hoosiers weren't that far off the pace. Four of the losses were by a combined margin of 24 points.

Experience on defense and in skill positions on offense with backfield returning intact are Hoosier strong points, along with the strong and accurate kicking of Gartner. Problems include replacement and creation of more depth at two offensive tackles and tight end. The decision of Danny Grossman to enter medical school a year early forced an additional replacement problem on defense at outside linebacker. Pont rates the inside linebacking pair of Mike Fulk and Rob Spicer as definite All-American and All-Big Ten caliber. For All-Big Ten nominees he submits quarterback Ted McNulty, flanker Charley Byrnes, tailback Ken Starling and fullback Ken St. Pierre.

All-Big Ten contenders on defense, in addition to Fulk and Spicer, include ends Marshall McCullough and Bill Pipp, tackles Joe Pawlitsch and Carl Barzilauskas, linebacker Jerry Johnson, and defensive backs Dan Lintner, Mark Findley and Larry Wright.

SERIES HISTORY: Gridiron relations between Kentucky and Mississippi State began before World War I, but a surprisingly small total of only 11 contests have marked the series which was interrupted after 1917 for a long period. The Wildcats forged into the lead in the rivalry by dropping the Maroons, 32-13, in 1953. State came back after a one-year lapse to even things again at five wins each as they engineered a come-from-behind victory over U.K. in the 1955 meeting at Lexington. Ken-

tucky holds the biggest win margin with a 48-21 shellacking of the Bulldogs on their home ground in 1950. The teams did not meet in 1956 or 1957. Kentucky won, 32-12, in 1958 to take a one-game edge.

LAST MEETING: Nov. 1, 1958 (Lexington) UK 33, MSU 12 — Approximately 27,000 rain-dampened homecoming fans cheered lustily as sophomore quarterbacks Leeman Bennett and Jerry Eisaman took over the controls in the absence of injured Lowell Hughes and displayed a wide open type of football. A strong Mississippi State team, picked as a conference contender, came to town boasting the nation's second best defensive unit; in five games, they had limited opponents to an average of 152.2 yards. Led by Glenn Ed Shaw's 102 yards in 10 carries, the Wildcats penetrated that defense for 233 ground yards and added 154 yards on 10 completions in 17 passing attempts. After Eisaman's 29-yard jaunt got the Wildcats on the board, they scored in every quarter. State's biggest threat was in the air, with 10 of 19 passes for 123 yards. However, the Wildcats stopped them when it counted with four interceptions.

1972 OUTLOOK: Quarterback problems contributed heavily to Mississippi State's disappointing 2-9 season in 1971. During the campaign, Coach Charley Shira started three different quarterbacks—Billy Baker, Hal Chealander and Ronnie Everett—in an effort to pep up the Bulldogs' woeful offense. The Bulldogs switched to the Wishbone in mid-season, but the new offense did little to help.

This season, Shira's sixth at the helm of the Bulldogs, the Bulldogs will junk the Wishbone, returning to a variation of a pro-type offense. And the quarterbacking job rests squarely on the shoulders of two promising sophomores, Melvin Barkum of Gulfport, Miss., and Rocky Felker of Brownsville, Tenn., who shared the assignment with last year's fine (4-1) freshman team. Barkum, one of four blacks on the State varsity, is a brother of former Jackson (Miss.) State wide receiver Jerome Barkum, No. 1 draft choice of the New York Jets, and a cousin of Detroit Lion cornerback Lem Barney.

The Bulldogs have able receivers in split ends Tommy Strahan and Sandy Braswell and wingback Bill Buckley. Tailback Lewis Grubbs, a two-year starter, and fullback Wayne Jones are the running backs.

Defensively, the Bulldogs are depending a great deal on sophomores, with Jack Hall, a two-year regular at right end, the only front four starter returning.

Sophs to Watch—QB Chris Kupec, TB Tommy Bradley, DT Ronnie Robinson, WB Jimmy Jerome, DB Bobby Myrick, LB Jimmy DeRatt.

SERIES HISTORY: The Wildcat-Tar Heel series started way back in 1910, but the two teams have met only four times. After the Wildcats won, 11-0, in the opening game in Lexington, 24 years passed before the Tar Heels won, 6-0, in Chapel Hill. Thirty-two more years passed before Kentucky won, 10-0, in 1966. North Carolina evened the series at 2-2 in 1970.

LAST MEETING: Sept. 12, 1970 (Chapel Hill) NC 20, UK 10—The Wildcats got on the scoreboard first as Stan Forston guided them to the five where Cecil Bowens bulled his way for the TD. North Carolina then scored on a fluke play that saw QB Paul Miller avoid a big UK rush and unload a 41-yard scoring pass to Lewis Jolley. With 11:14 remaining, Ken Cravens kicked a 28-yard FG for the Tar Heels. Bob Jones tied the score for UK with a 31-yard FG with 17 seconds left in the half. North Carolina charged back in the third quarter, with tailback Don McCauley leading a charge that propelled the ball to the UK 27. After the Wildcat line finally held the 208 lb. senior for no gain, Cravens kicked a 44-yard FG. The crushing blow came on the first play of the fourth quarter when, on third and two at the UK 48, Miller unloaded a scoring bomb to McCauley.

1972 OUTLOOK: Coach Bill Dooley's men in Carolina blue had one of their finest seasons ever in 1971, posting a 9-2 over-all record and winning six straight in ACC play. It marked the first time in history Carolina has won the conference championship outright. For the second straight year, Dooley carried the Tar Heels to a bowl game. This time, it was the Gator Bowl where Carolina dropped a 7-3 heartbreaker to Georgia in a blazing defensive struggle.

The bright spot is sure to be the offensive line where six starters return. Three of them, guard Ron Rusnak of Prince George, Va., tackle Jerry Sain of Lincolnton, N. C., and center Bob Thornton of Richmond, Va., made the all-Atlantic Coast Conference team last year. The only offensive starter not returning is Johnny Cowell, rugged tight end. But Ken Taylor of Concord, N. C., who saw considerable duty there last year, is back to take over the No. 1 spot. Other returning starters in the offensive line are split end Earle Bethea, tackle Robert Pratt and guard Robert Walters.

The offensive backfield, however, will be brand new with the graduation of such stars as quarterback Paul Miller, wingback Bill Sigler, tailback Lewis Jolley and full-back Geof Hamlin. Dooley says the quarterback job is wide open with four players battling for the top spot. They are Johnny Klise, of Portsmouth, Va., the chief backup last year; Nick Vidnovic of Falls Church, Va., punting specialist deluxe in 1971; and rising sophomores Chris Kupec and Charles Baggett.

Carolina loses eight of its 11 starters on the defense—and there are some big shoes to fill. The entire linebacking corps was depleted.

Another chief loss from last year is Ken Craven, the kicking specialist who made All-ACC and ranked as the top scorer among kickers in the ACC.

SERIES HISTORY: Kentucky fared fairly well in the first few years of the LSU rivalry which began in 1949, but the Wildcats have fallen on hard times recently. Getting off to a fine start, they defeated the Bayou Bengals 19-0 in the inaugural and 14-0 the following year. After skipping 1950, the series resumed, with LSU winning, 34-7, at Lexington. Kentucky gained a tie the following year at Baton Rouge and won, 7-6, in Lexington in 1954. The teams swapped victories in 1956 and 1957 and then disaster struck the Wildcats. They fell, 21-0, and 32-7 to the Tigers at Baton Rouge and 9-0 at home before winning, 3-0, at home in 1960. Then came an 11-game losing streak, beginning with a 24-14 LSU victory at Baton Rouge and running through last season, when the Tigers won, 17-13, in Lexington.

LAST MEETING: Oct. 16, 1971 (Lexington) LSU 17, UK 13—The downtrodden Wildcats, an upset victim of Ohio University the preceding Saturday, gave SEC defending champion LSU the fight of its life. The visitors built up a 10-0 lead in the first period and Kentucky cut it to 10-7 going into the final period. The Wildcat defense cracked momentarily when an interception of a Fanuzzi pass gave the Tigers the ball on the Wildcat 42; on first down, Allen Shorey burst for 32 yards to the UK 10. Two plays and a penalty later, Bert Jones scored from the 10. However, the Wildcats were not through. An interception and a 32-yard return by defensive back Jeff Woodcock put the home team back in business on the LSU 45. Minutes later, Doug Kotar broke off his first long TD run, a 36-yarder, from scrimmage. With 2:48 remaining, a Kentucky drive was halted on the LSU 36 and the Tigers ran out the clock.

1972 OUTLOOK: Including bowl games, the LSU Fighting Tigers have won nine games in each of the past three seasons, compiling a 9-1 record in 1969 and 9-3 marks in both 1970 and 1971.

The 1972 season looms as another bright one for the Bayou Bengals, but, as with any year, several problems must be solved. The 1972 squad will feature only 13 seniors which bodes good for the future, but the development of the defensive tackles, linebackers and cornerbacks will establish the trend.

On the credit side will be the return of both quarterbacks from last year, Bert Jones and Paul Lyons, playing their final season. Lyons was moved from cornerback to his previous position as a field general and established himself as an inspirational team leader, setting several new team records, including most touchdowns scored and responsible for (17); highest average gain per play in a single game (9.8 yards against Wisconsin) and most yards gained in one game running and passing (304, also against the Badgers).

Chris Dantin, a senior from Baton Rouge, is the letterman returning at tailback. Jim Benglis and Dale Miller are monogram winners at fullback with squadman Ken Addy, a giant of a man at 6-2 and 234 pounds, figured to bulwark this post. Gerald Keigley will attempt to step into Andy Hamilton's shoes at splitback along with Al Coffee, back after a year in the military.

SERIES HISTORY: The Wildcat-Bulldog rivalry began with a game at Louisville Oct. 21, 1939. The two schools met almost annually from that time until the series was broken off after the 1949 game and not resumed until 1956 at Athens. During the 22 years that Wally Butts coached the Bulldogs (1938-60), Georgia won nine of 14 games. The Wildcats took the initial game in 1939 and tied the following year, but did not pick up another win until 1947. Kentucky shows but five victories with the last in 1965. Despite such Georgia superiority (18-5-2), the games have been

interesting as reflected by the fact that Butts' four SEC championships managed an average win margin of only 11 points over the Wildcats.

LAST MEETING: Oct. 23, 1971 (Athens) UG 34, UK 0—Georgia wore down U.K.'s plucky defense to "escape" with a 34-0 win before 57,852 homecoming fans. A titanic struggle, at least for the first half, for the Wildcats held the Bulldogs' high-powered offense, ranked third in the SEC, to a pair of Kim Braswell field goals. In the initial 30 minutes, Georgia also completely stifled the Kentucky offense, allowing no points, no first downs, no passing yardage, no return yardage and very little hope. The turning point came in the second half, when Buz Rosenberg turned the game completely around by returning a line drive punt 56 yards to the U.K. two. The Bulldogs scored two plays later and were off to the races.

1972 OUTLOOK: The University of Georgia enjoyed a super year in 1971 (11-1 and Gator Bowl Champion), but it was a record that was not entirely a surprise due in great measure to two outstanding senior-led lines plus the "coming through" by several very fine sophomores, especially in both backfields.

The Bulldogs return 17 lettermen on offense and 18 on defense, including a brilliant stable of offensive backs headed by junior quarterback Andy Johnson and junior tailback Jimmy Poulos. The entire defensive backfield returns, led by outstanding punt returner Buz Rosenberg, twice All-SEC first team selection. Along with Rosenberg will be juniors Jerone Jackson (RVR), Don Golden (SAF), and senior Gene Swinford (CB).

The offensive line, stripped via graduation, has leading returnees Paul Fersen and Jim Curington, both tackles. Lynn Hunnicutt, Georgia's leading receiver at SE in '71, switches to tight end for '72.

SERIES HISTORY: The Kentucky-Tulane grid series dates back to a contest played in Lexington Oct. 29, 1910, which the Wildcats won, 10-3. No further games were carded in the rivalry until 1932, when the Greenies won a close 6-3 decision, and then the Wave was an annual opponent until 1935, when the series was interrupted. Resumption of the series with the 1949 SEC champions came again in 1951, with U.K. winning 37-0. With new coach Raymond (Bear) Wolf at the helm, the Green Wave returned to Lexington in 1952 and lost, 27-6, to the Wildcats.

1972 OUTLOOK: Coach Bennie Ellender anticipates an improved team with more size and speed. The biggest rebuilding jobs confronting Ellender and his staff are in the receiving corps, where three good ones graduated, and in the defensive secondary, as the entire three-deep graduated. The defense looks particularly strong with Mike Mullen and Glen Harder forming one of the finest inside linebacking tandems in the nation, and end Mike Truax another player of all-star potential. Defensive tackle Charles Hall could well rate as a super-soph.

On offense, Mike Walker, a two-year veteran, returns at quarterback along with workhorse Ricky Hebert, last year's leading ground gainer. Up front on offense are veteran linemen Jeff Hollingsworth and Mike Koesling. Several strong performers coming up from the freshman team should not only give Tulane better depth, but some will challenge for starting positions. Ellender will be looking for more consistency on offense, and if that aim is achieved, Tulane will have the tools it needs to tackle a tough schedule.

SERIES HISTORY: The Wildcats and Commodores first met on the gridiron in 1896 at Nashville and the series is one of the South's oldest from the standpoint of first meeting and number of games. The record stands solidly in Vandy's favor, 26-14-4, with the Commodores registering 12 shutouts in the first 26 years and UK failing to get into the win column until 1939. The Wildcats' 27-0 homecoming rout of Vandy in 1960 ended a three-year trend to close games, but the rivalry got back in the groove in 1961 as UK struggled for a 16-3 decision. Kentucky's biggest margin since that time was 34-0 in 1965, Vandy's 42-6 in 1969.

LAST MEETING: Darryl Bishop's 43-yard interception return for a tie-breaking touchdown on the final play of the day gave UK a 14-7 victory before a sparse crowd on a chilly, rain-soaked homecoming at Nashville. The Wildcats broke a scoreless deadlock on Jim Reed's 44-yard TD run on the third play of the second half. Vandy

tied it, 7-7, by marching 69 yards in 11 plays at the end of the third and the start of the fourth quarter. With fourth and eight on its own 44 and slightly less than 50 seconds left, Kentucky elected to punt. Walter Overton made a fair catch on the Vandy 30. On the first play, QB Steve Burger lost four yards. With the remnants of the crowd standing, uttering some boos, and yelling for a game-winning pass, the Commodores called a long pass play with Gary Chesley as the intended receiver. The ball was underthrown 10 yards, setting the scene for Bishop's heroics.

1972 OUTLOOK: Enthusiasm is the earmark of the 1972 Vanderbilt football season. Coach Bill Pace tried several experiments in the spring and they all seemed to work out very well. The two most prominent switches were Walter Overton from split end to wingback and wingback Bobby Latham to defensive end.

The running attack appears in excellent shape, led by Jamie O'Rourke, who pounded out a net 677 yards on the ground last season and gained SEC All-Sophomore honors. The hard-running Floridian had a top game of 187 yards gained against Tulane and a three-game total of 412 before being injured on his first carry against Tennessee in the season's finale. Lending strong support to O'Rourke is returning quarterback Steve Burger, a flashy Donelson, Tenn., native who rolled for 413 yards on the ground to go along with the 671 he picked up passing.

The offensive line returns all veterans and all started part of last season. The secondary returns three of the four boys who made Vanderbilt the top team in the SEC against the pass return, headed by Ken Stone.

SERIES HISTORY: The Wildcats got the series off to a rousing start, whipping the Gators, 52-0, in Lexington in 1917, and then had things pretty well under control through 1955, when they held a 12-4 advantage. The Gators managed only a pair of victories prior to 1952, but then started to come on strong. An unusual moment occurred in 1955, when Delmar Hughes, Wildcat quarterback sidelined earlier in the game with a broken nose, came off the bench and kicked a 20-yard field goal to give UK a 10-7 decision. A year later, Lou Michaels kicked a rain-soaked ball 34 yards with two seconds remaining in the first half to put the Wildcats ahead to stay. After a 10-year lapse, the series was resumed in 1917, with Florida winning, 14-7, beginning a streak that now stands at six straight and has cut Kentucky's series edge to 12-9.

LAST MEETING: Nov. 13, 1971 (Gainesville) UF 35, UK 24—The Wildcats rolled up 514 yards to Florida's 443, but the Gators triumphed in a battle to dodge the SEC cellar. Kentucky, coming off two straight victories, was hampered by bad breaks which saw them trailing, 7-3, at halftime when Coach John Ray thought they should have been two or three TDs ahead. An early break for Florida came when a Bernie Scruggs pass bounced off Jim Reed's outstretched hands and was picked off and returned to the UK 37 by David Poff. A couple passes by John Reaves and Florida was on the one, with Lenny Lucas getting the call for score. With seconds left in the half, Kentucky got on the board with a 21-yard FG by Tom Kirk. The Wildcats went ahead on one of their best drives of the season, 91 yards in 14 plays, all on the ground. Lee Clymer scored from the 11. Reaves took over and moved his team down field, using a record-breaking catch by Carlos Alvarez to put the ball on the UK 26 and give Alvarez 163 career receptions, surpassing the 162 by Dave Smith of Mississippi State. Alvarez added a few more to his record, including one which put the ball on the one, with Reaves taking it in. Florida found itself and kept up momentum, breaking the game open with a 56-yard TD pass from Reaves to Alvarez.

1972 OUTLOOK: Coach Doug Dickey looks for the Gators to be improved on defense, but then he feels they had a long way to go after a 10th place finish in a 10-game league on defense. He expects improved linebacking and defensive secondary play with more speed and quickness.

The offensive line is improved, due to experience and the addition of capable sophomore Burton Lawless. Mark King, an exceptional player, makes the Gators strong at center. Dickey feels Vince Kendrick and Lenny Lucas can hold their own with most teams' first unit running backs.

The Gators need to develop some players at defensive end behind Mike and Eddy Moore. Dickey is hopeful and confident the running game will be better; that is his major objective. Problems are lack of depth at every spot but linebacker, totally inexperienced kickers and inexperienced quarterbacks.

SERIES HISTORY: Among the oldest football rivalries in the nation, the Kentucky-Tennessee series dates from a memorable encounter in Knoxville 75 years ago. In that meeting, Oct. 21, 1893, the Wildcats annexed a 60-0 victory to get the warfare off to an auspicious start in a fashion that hasn't been equalled in the many and colorful renewals of the traditional rivalry. Except for three war years (1917-18 and 1943), the two schools have met annually on the gridiron with the result that the Vols hold a distinct edge of 38 wins to Kentucky's 19 and nine ties. The seniors on the 1955 UK squad became the first class in 43 years to graduate with the accomplishment of never playing in a game in which the Vols emerged victorious and they bowed out in a blaze of glory, triumphing 23-0 over the bowl-hungry Vols in the most one-sided Kentucky win since 1935. Tennessee took the 1961 meeting for

its first victory in five years, but UK's courageous "Thin Thirty" fought back to win a 12-10 squeaker in 1962. The Vols caught Kentucky in a letdown in 1963 to annex a 19-0 decision, but Kentucky capped a strange 1964 campaign in glorious fashion by capturing a hard-fought, 12-7 victory over the equally inconsistent Tennesseans. Without passing star Rick Norton, injured the week before in the Houston game, Kentucky could not cope with the Vols in '65 and dropped a 19-3 decision. Tennessee has won the six other games since that date.

Since 1925, the two schools have stimulated their grid rivalry with a rotating trophy—a battered old beer barrel. Many shenanigans on the part of the rival student bodies have added to the color of the series. Following the 1953 UK win, disgruntled Tennessee students raided the Kentucky campus and "kegnapped" the barrel—holding it until persuaded to return it by threats of reprisal against their coon dog mascot, Smoky. In 1955, UK students visited the Tennessee campus hiding place of Smoky and "dognapped" him. UT students promptly retaliated by painting up the Kentucky campus in a surprise raid and carting away "Colonel," UK's stuffed wildcat mascot. A trade was engineered at the '55 game. For a couple of years, things were comparatively quiet. Then the stunts erupted again in 1958 as Vol students caught a guard "napping" and slipped away with UK's stuffed Wildcat. Despite promises to return it at halftime of a nationally-televised basketball game, the mascot wasn't given back until nearly four months later. A post-game sidelight to Kentucky's victory in 1959 saw a strange calm shattered by rioting UK students protesting a faculty refusal to reward the win with a traditional pre-Thanksgiving holiday. Up to 5,000 demonstrators and onlookers carried on for about four and one-half hours, marching on the UK president's home and setting a bonfire at a main intersection in downtown Lexington. The famed beer barrel, which had remained in hiding during "Tennessee week" in 1960, came up missing almost four months later under unusual circumstances. Vanderbilt students "kegnapped" the trophy in a surprise attempt to gain support of Vol fans for the Commodores' basketball team which was meeting the Wildcats in Knoxville in a playoff for an NCAA Tournament berth. The stunt backfired, however, as UK won. Embarrassed Vandy students did not return the trophy until several months later. Eleven years ago, another chapter was added to the keg's history as two UK freshman players forgot to bring the barrel to the game and the Vols left town without claiming it. Kentucky sent the keg on to Knoxville later. Since then, the old beer barrel has been silent.

LAST MEETING: Nov. 20, 1971 (Lexington) UT 21, UK 7—With just under four minutes remaining, the Wildcats were driving for what would be the winning or tying scores. On a Wishbone play to the left, Bernie Scruggs' pitchout was snatched in mid-air by Vol Carl Johnson, who never broke stride and raced 85 yards all alone to paydirt. Liberty Bowl scouts in the Stoll Field pressbox sighed in relief and prepared their invitation for Tennessee. The Vols got their first break on the opening play of the second quarter, when they recovered a UK fumble on their own 26. They moved the ball to the UK 26, where Curt Watson, needing one yard for a first down, broke left for a TD. Moments later, the Vols moved 90 yards on the heels of a UK punt for a second TD. Kentucky put points on the board midway of the third period, after Dave Van Meter recovered a Tennessee fumble on the 45. Arvel Carroll scored on a fourth down play on the one.

1972 OUTLOOK: In all likelihood, there will be a greater balance between offense and defense as 30-year-old Bill Battle moves into his third season as Vol Head Coach with a glittering record of 21 victories against three defeats and two straight bowl triumphs (Sugar and Liberty) to his credit.

The Vol defense must perform without the wizardry of Jackie Walker, Ray Nettles and unanimous All-America safety Bobby Majors, a trio whose penchant for the big play allowed Tennessee to win many games without a consistent attack. Jamie Rotella, a sophomore All-America in 1970 whose deeds were overshadowed last season

by his better known teammates, will head the linebacker corps. Tennessee should be solid up front, led by a 1971 sophomore All-America end, wiry Ken Lambert, another seasoned end, Carl Johnson, and dependable tackle John Wagster.

Some of the sparkle of the defensive backfield was lost with the graduation of Majors, but the return of regulars David Allen, Conrad Graham and Eddie Brown should assure the Vols capable secondary play.

Only returnees with the offense are tackle Gaylon Hill, guard Bill Emendorfer, center Tom Johnson and fullback Steve Chancey. Bill Rudder, stylish halfback who filled in for injured Curt Watson late in the season, established gaudy credentials as a runner by breaking loose for more than 100 yards each against Vanderbilt and Penn State and being voted outstanding offensive player in the Liberty Bowl.

For replacements at other positions, Battle will look for help from last year's reserves and an assortment of freshman standouts, including QB Condredge Holloway, safety Jim Watts and end Butch Thompson.

STOLL FIELD — McLEAN STADIUM

With ground broken for a new football stadium, Stoll Field will be but a memory in a couple of years, when the wrecker's hammer will level old McLean Stadium to make room for buildings of another type.

The seeming duplication of titles—Stoll Field and McLean Stadium—has been cause for much confusion among the general public and the sports-writing fraternity.

Officially, by action of the University Board of Trustees, the general area encompassing the playing field is known as "Stoll Field." Likewise by authority of the same body, the stadium proper is known as "McLean Stadium."

Kentucky's first football field, occupying the general site of what is now an intramural field west of the stadium, was first given a name when it was dedicated on October 14, 1916, as Stoll Field in honor of the late Judge Richard C. Stoll, prominent alumnus, trustee and benefactor of the University of Kentucky. Soon after the first sections of the present concrete stadium were completed on September 4, 1924, the new field site and stadium were likewise officially known as Stoll Field.

The first attraction to be held on the new Stoll Field was a football game with the University of Louisville on October 4, 1924. A gridiron clash between Kentucky and the then-powerful Centre College team was the first game played in the fully-completed stadium on November 1, 1924.

The later reference to the concrete stands as "McLean Stadium" has existed since November 1, 1924, when the stadium was officially dedicated in memory of Price Innes McLean and a bronze plaque placed in the south stands by the Class of 1925. McLean, regular center on the 1923 Kentucky football squad, died November 7, 1923, as the result of injuries sustained in the U.K.-Cincinnati game played in the Queen City the afternoon before.

Major expansions of McLean Stadium in 1948, 1949 and 1959 have resulted in a current over-all seating capacity of approximately 37,500. The latest construction installed 3,655 new permanent box seats at a cost of \$115,000 and increased capacity by 1,629. New-type, "iodized" lights were installed in 1961.

A complete "face lifting" was accomplished on Stoll Field during the spring of 1962 at a cost of several thousand dollars. In the interest of preparing a durable turf that would eliminate the almost annual resodding process, a complete new drainage system was installed and tons of specially mixed topsoil hauled in to replace the existing hardpan. The project also raised the crown of the playing surface for better visibility by spectators. With the special strain of Bermuda grass thriving to an extent never before seen at Kentucky, the Wildcats now entertain foes on one of the best football fields in the nation.

New practice facilities were prepared in 1960 for the football Wildcats on the University farm. As part of a \$320,000 Sports Center, the varsity and freshman gridders now practice on an area equivalent to five football fields in size. Along with the new field, they have space in a modern dressing room building—making a facility recognized as one of the best in the nation.

Kentucky tackle Bob Gain converted 10 of 10 extra point kicks against North Dakota in 1950.

KENTUCKY OUTLOOK FOR 1972

The University of Kentucky football team this year will be bigger, stronger and faster than in previous years.

Areas of improvement include the offensive line, defensive secondary, kicking game and the passing attack.

Coach John Ray, in his fourth year as head coach, believes the offensive line, averaging 6-foot-4, 237 lbs, for the interior five, will be as good and strong as any with which he has been associated. The front liners include center Dan Neal, guards Harvey Sword and Tom Clark and tackles Dave Margavage and Rich Allen. Clark and Neal are seniors.

The kicking game is very satisfactory with sophomore John Tatterson and senior Gary Knutson doing the punting, and sophomores Doug Sexton and Ron Steele handling the field goals, kickoffs and PAT's.

The addition of All-American Junior College quarterback James (Dinky) McKay of Biloxi, Miss., and sophomore Ernie Lewis of Elizabethtown, Ky., and red-shirts Ron Sciarro and Bruce Wohlleb gives strength and depth at the signal-calling position.

Doug Kotar, off a sensational sophomore year, had a fine spring, and should be one of the SEC's premium runners this fall. Mike Fanuzzi, transferred from quarterback after his sophomore year, gives more speed to the running back position, where senior Jim Reed and junior Mark Campbell also will operate. Ray hopes some incoming freshmen will give help in this area.

Heading the defensive secondary is Darryl Bishop, an All-Soph safety in the conference last season. Returning starters include Jeff Woodcock and Buzz Burnam. Sophomores Mike Cassity, Steve Phillips, John Tatterson and Ben Thomas should strengthen that area.

Tackle Jim McCollum, outside linebackers Ken King and Jim Hovey and end Ed Gusky bring quickness to the defense.

Question marks on defense are the three linebackers and a defensive tackle position to be filled.

WILDCAT MASCOTS HAD COLORFUL NAMES

Over the years, Kentucky athletic teams have been spurred on in efforts toward victory by numerous colorfully-named wildcat mascots. Records indicate the first animal was given to the University in 1921. Named "Tom," this live Kentucky wildcat died quickly in captivity and was replaced with "TNT." Other live mascots followed—including "Whiskers," "Hot Tamale," and "Colonel"—only to pass from the scene due to death or being turned loose in the mountains after they did not thrive out of their native habitat.

Although missing some late season action because of a shoulder injury received on the next running play after he scored a 36-yard TD against VPI, Doug finished the season as second leading rusher, gaining 375 yards in 78 carries for a 4.8 average, and second leading scorer (18). He also caught eight passes for 40 yards and returned 24 kickoffs for a conference-leading total of 589 yards. During the past spring, he was named outstanding back for the second year in a row. An All-State and "Big 33" performer at Canon McMillan, he gained 1,618 yards for high school career average of 6.9, returned 22 KOs for 688 yards and 20 punts for 3,861 yards.

KENTUCKY'S COLORS

The blue and white of the University of Kentucky are known to sports fans everywhere. Officially the colors are Yale blue and white, but in the beginning, when the Lexington institution was still known as the Agricultural and Mechanical College of Kentucky, the colors were "Stoll blue" and white. One day back in the 1890's a group of Kentucky football stalwarts met to choose their school colors. Someone suggested blue and white—"blue like Dick Stoll's neck-tie"—and those colors were immediately adopted. "Dick" Stoll was to become Judge Richard C. Stoll, distinguished public servant and, for more than fifty years before his death, a member of the U.K. board of trustees.

Footnote A — Although numerical scoring had not yet been introduced in Rugby football, either here or in Great Britain, when Kentucky and Transylvania (then known as Kentucky University) played their series in 1881, persons in charge of the games obviously had arrived at some sort of agreement assigning numerical values to the various scoring plays. Records never existed and men who played in the games are now deceased. All we can do is accept the scores printed in the newspapers—and surmise that a touchdown perhaps counted ¼ point and that a goal or an end-kick (a punt into the modern end zone) counted 1. That seems logical, since in the ratio scoring of that day, a touchdown was worth one-quarter of a goal. The end-kick, a British heritage, undoubtedly was introduced because all realized that green players would score few goals, if any.					
Footnote B — The football rules took no official position on the score of a forfeited game until 1908 when it was pegged at 1-0 to make it different from any other score possible in the game. By common consent, forfeited games prior to that were entered into the records as victories by 6-0 for the offended team—everywhere, that is, except in the Southern Intercollegiate Athletic Association, predecessor of the Southern Conference and the Southeastern Conference. In the S. I. A. A. the 6-0 practice was followed unless the offended team had a greater number of points. In that case, the offended team won by the greater score to nothing. Thus, Kentucky's forfeiture to Central University in 1900 is 6-0, since Kentucky led by 11-0 at the time. Kentucky led Cumberland by 12-11 in 1905 when the Tennesseans forfeited. The Blue and White, under S. I. A. A. rules, gets credit for a 12-0 victory.
