Duplicating Services

While Bob Turner is working on the move in King stacks, duplicating will be done only on Thursday afternoons; people with things to be duplicated should allow for this delay. If an emergency arises, and something is needed immediately, please see Faith Harders. The situation should return to normal when the move is completed at the end of August.

ARL MEMORANDUM, AUGUST 4, 1978

Bill Welsh of the Library of Congress has said that LC will respect the wishes of the library community and will postpone LC adoption of AACR 2 to January 1981. ARL directors were polled and noted 53 in favor of postponement, 30 not in favor, with 2 abstentions. Publication of Anglo-American Cataloging Rules is anticipated by November 15, 1978. (A six-page summary on AACR 2 impact is on reserve under my name.)
