Four Teams Share Lead In Independent Basketball Leagues; Brought Top Scorer

By Wes Bird

Two first-place ties head the final standings in the two divisions of the Independent League. Upsets, narrow-margin victories, and crucial games marked the final round of play as New Deal and the World Walkers, and the Globe Trotters and Big Blue tied for first place in their respective divisions.

Division 1
Wednesday night B.S.U. upset the World Walkers 22-20, knocking them out of first place for the first time this season. The game was close throughout, B.S.U. leading at half-time 15-12.

New Deal barely edged by B.S.U. 31-30, Friday night as the latter seemed to be continuing their up-

setting ways. B.S.U. led by one point at half-time 15-15. This victory put New Deal in the lead in the division with a 6-0 record. The World Walkers were in second place with a 5-1 record, and a final game to play against New Deal.

Monday night New Deal and the Walkers met in a "must" game for both clubs. A win for the Walkers would put the two clubs in a tie for first place; a loss would give New Deal undisputed possession of the top spot.

World Walkers Claim Tie
The World Walkers were hot—too hot to handle for even New Deal. The Walkers won 36-17, and three first place in Division 1 into a tie.

Monday night the Barristers took a slim victory from B.S.U. 22-20. This third place into a three-way tie. The Daffy Ducks, Barristers and B.S.U. ended the season with identical records of four wins and three losses.

Division 2
The Big Blue gained the tie for first place by beating the Kernels in their last game Wednesday night. A loss for the Blues would have dropped them into a tie for second place and given undisputed possession of first place to the Globe Trotters.

The Big Blue was extended in beating the Globe Trotters 30-26 last Thursday. The regulation game ended in a 26-26 tie; the Blues outscored the Trotters in the overtime period 4-0.

Hookers Upset Big Blue
The Big Blue ran into trouble Monday night as they met a inspired Hookers quintet and were defeated 26-25. At half-time the Hookers led 16-14. With only one game left, the win over the Kernels was a "must."

Other scores: New Deal over the Rockets by forfeit; Barristers 29, Newman Club 18; Daffy Ducks by forfeit over Wesley Foundation; World Walkers 31, Daffy Ducks 30; Barristers 41, Rockets 15; Turties 45, Hookers 27; Kinkaid over Rebels

A Boycott For A Boycott—Fair Play; Bouquets For Reece—Job Well Done; Mike Dolan In Line For Scouting Job

The current edition of Look magazine contains All-American teams, supposedly picked with no bias intact. Not a Kentucky man is mentioned. No Wildcat was even selected on a regional team.

That seems a trifle odd when the men of Coach Adolph Rupp finished on top in both major polls as the number one team in the nation.

Look evidently left the pending lawsuit of Coach Rupp enter the picture and boycotted the Cats. Not that it makes a great deal of difference to Cliff Hagan, Frank Ramsey, Bob Watson, or any other member of the squad, but it is a slap in the face when you consider the article states the All-American squad was picked after careful consideration of all the better players in the nation.

All-American teams don't mean very much nowadays anyway because selectors look all around before choosing and take a man from each section of the country so that the feelings will be hurt. Look went overboard, though, and an All-American team without a representative from UK is preposterous.

It is obvious the team was selected with the idea in mind that no Wildcat would be considered. Down in the story the writer did mention no Kentucky player was named. He did say Kentucky was represented last year. Evidently the writer disregarded facts because records show individual performances this year were superior to any seen around Lexington last season.

Coach Rupp is suing Look on the basis of an article published previously which did little to compliment the UK mentor. More word on the development in that case should be forthcoming soon.

The boycott of UK will in no way increase the popularity of Look in Kentucky. We doubt that Look will worry too much about that. Publicly sells magazines and that is the primary motive behind the publication.

The magazine should have considered the prestige connected with fair and accurate selections above its personal feelings. Obviously, many readers will doubt the integrity of the magazine when the bluntness of the action is realized. There may even be some subscriptions cancelled or newstand sales by-passed.

When you stop and think, that doesn't appear too far fetched. A boycott for a boycott is an even swap.

UK Fencers Beat Vandy

The foil-men of the UK fencing team gained their first victory of the season from their traditional rivals, Vanderbilt University. Although the Commodores took a quick 1-0 lead, the Wildcats retaliated with two wins to move ahead 2-1. From there on bouts were swayed evenly, the score being knotted four times.

With the score tied at 4-4, Captain Bill Seiler scored his second win of the day to put the Wildcats on top with a final 5-4 count. Bob O'Nan, ordinarily an spee fencer, was outstanding for the Cats with two victories. The final bout was added by freshman John Whittenburg, who broke his losing slump with a decisive 5-3 victory over Vandy's Harold Payne. The Commodore's Tom Baker kept the boys from Nashville in the meet with three wins.

Mr. Chamless Johnson, formerly of Princeton University, acted as director for the meet. Mr. Johnson was the intercollegiate sabre champion at the 1951 NCAA tourney and was voted "the outstanding collegiate fencer of 1951."

Baseball Team Schedules Intra-Squad Tilt Saturday

By Marvin Poyer

With three full weeks of warm-up sessions behind them, the UK baseball hopefuls get down to serious business from here on out. Several changes have been made in the schedule. Coach Harry Lancaster, anxious to play more games on the home lot, has announced the following schedule:

Date	Team	Place
April 4	Georgia	Here
April 11	Vanderbilt	There
April 18	Georgia Tech	There
April 25	Vanderbilt	There
April 29	Alabama	There
May 6	Tennessee	There
May 13	Georgia	Here
May 20	Georgia	Here

All home games will be played on Stiel Field this year. Starting times will be 3 p.m. (CST) for week-day games and 2 p.m. (CST) for Saturday contests.

Some unexpected help appeared on the scene last week as Norm Miller, a Brooklyn Dodger farm player, dropped by the campus on his way to the Dodger's spring training camp. Miller, a graduate of Riverside Military Academy in Georgia, and one of the catcher hopefuls in the Dodger chain, has been passing along some helpful information to the 25 or more prospects now working out with Stille.

Tomorrow's game is being watched along some helpful information to the strength on the team. Don Sullivan and Don House, both pitchers, have

SAE Only Unbeaten Cagers In I-M Fraternity League

By Joe Howard

SAE beat Kappa Sigma in the opening game of the fifth round in the fraternity basketball league.

The final score of 25-20 was a true picture of how the game progressed. It was a hard fought struggle all the way with both teams showing signs of nervousness. Both teams were undeterred going into the game which added to the excitement of the contest.

AGR Waps Sigma Nu

In the second game of the evening AGR was pushed to the limit to defeat a fighting but outmanned Sigma Nu team by a score of 31-28.

The last game of the night saw TKC edge ASP by a score of 32-28.

This was another good ball game from the standpoint of excitement. The outcome was in doubt all the way but the Tetas just had that little extra to finish strong and cop the win.

LKA came through with the upset of the season in Division 2 when they soundly thrashed the Deltas 29-19. The Dells fell behind early in the game and were never able to catch up as a determined Lambda Chi team kept pushing it on. The defeat was the first for the Deltas this season. The win enabled LKA to tie for second place in the final standings in the division.

PKT Overruns ZBT

PKT ran away from ZBT in the second game by an overwhelming 35-14 score. The winners led all the way and it was a runaway after the first few minutes.

To close out play for Division 2

the Phi Sigs eked out a 33-29 win over the luckless Triangles. This game was close all the way and wasn't decided until the final few minutes.

PKA Edges Sigma Chi

Only two games were played in Division 3. PKA and Sigma Chi staged a real thriller before PKA won by the barest of margins 27-26. The outcome of the contest was undecided until the final seconds when PKA was in possession with the game only a few seconds from being over. It was a well earned victory but a heart-breaking loss.

In the final game for the division the Sig Eps swamped the Phi Dels 40-15. The winners were in command all the way and the issue was never in doubt.

The championship will be decided by a single elimination tournament which will begin Monday. The four top teams in each division will be the field before play begins. To decide the intramural champion a playoff will be between the fraternity league king and the champion of the independents who will play a similar elimination tourney to decide the winner.

John Griggs Named Captain; Fry Alternate, Of Gridders

By Earl Cox

John Griggs, a big, rugged center and linemaker, will captain the 1952 Kentucky football team. And Bob Fry, a lanky lineman who is equally at home at either tackle or end, will serve as alternate captain.

Griggs is 21 years old and weighs 185 while Fry is 22 and checks in at an even 200.

After having about a week of good weather in which to try the Wildcats through spring drills, Bryant got a dose of the kind of weather he is used to having along about spring practice time. The Cats were unable to practice either Monday or Tuesday, but Bryant didn't sit around and moan about the rain and mud.

Bryant Visits Oklahoma

He and two of his assistants, Ernie Allen and Jim Owens, showed up at Norman, Okla., Tuesday at the spring grid camp of Coach Bud Wilkinson's Oklahoma Sooners. Owens' coach here is an all-time Sooner great.

The T-formation may leave the Kentucky campus along with Parrill, because Bryant told newsmen in Norman that he and his assistants were there to get a look at the split-T formation which is used so successfully by Oklahoma.

A quarterback in the split-T has many more opportunities to run the ball than he has under the conventional T. Two of the boys Bryant has been using in the quarterback slot during spring practice, Larry Jones and Bunky Gruner, have better reputations as runners than passers. In fact both the Louisville Manual graduates are converted halfbacks.

A 3-10 Basketball Record—It Once Happened At UK

By Louis Hempel

The nation's Number 1 basketball team today—those overcharged Kentucky Wildcats—were just yesterday's 3-10 team.

Seems incredible that the Wildcats of the past few seasons, who brought every basketball tie available to UK, were preceded by Kentucky cage squads who fought neighboring state teams too tough to handle.

Such was the case in 1927. Both Georgetown and Kentucky Wesleyan beat the Cats that year.

It was a disastrous season for the start. Coach Ray Ecklund received two weeks before the opening game. Basil Hayden, a former UK great in '21, left his insurance business in Richmond to take over as coach.

Ashford Discusses Sports Reporting With Press Club

Ed Ashford, sports editor of the Lexington Herald, told a meeting of the Henry Watterson Press Club Monday afternoon the biggest job of a sports writer is "to please most of the people most of the time."

Ashford discussed the problems of sports reporting and outlined the operations of a typical sports staff of a newspaper.

He discussed the changes in sports since he first began writing in the 1920's. He recalled his first major assignment, in 1928, when he covered the national high school tournament in Chicago when Ashland High was crowned champion.

"Basketball has changed since then," he said. "If we were to see today's low-scoring games today, we would consider them dull. There was nothing dull about them then, though."

Sports writing is a field, Ashford said, which is a good stepping stone to other work.

Cats Look Ahead To NCAA Tourney After Post Season Game Offers Fail

All plans for a post season game for Coach Adolph Rupp's basketball squad have fallen through and the Wildcats are looking ahead to a game with Seattle University, a Ralleth, N. C. The Cats open defense of their NCAA crown there Friday, March 21.

After Duke University turned down an offer for a game, University officials attempted to secure a game with Seattle University, a loser in the NIT at New York. Seattle also turned thumbs down on the proposal and the Ruppmen will enter the tourney after a three-week layoff.

The Wildcats will meet an unnamed eastern all-league team in opening round play. If they win that game, their opponent will be the winner of the N. C. State-large team game.

Other regional tournaments will open at Kansas City, Chicago, and Curtallis, Ore. The winners of each region will travel to Seattle for the finals, March 27-28.

If the Cats extend their current 23-game win streak throughout the tournament, they will engage in Olympic trials at Kansas City. Four years ago the Kentucky team, combined with top players from other teams, represented the United States in the Olympic games and won the world championship.

Coach Rupp announced the 13-man traveling squad which will begin the tournament tour. It includes Cliff Hagan, Frank Ramsey, Bob Watson, Bill Evans, Les Tloropoulos, Shelby Linville, Skippy Whitaker, Gayle Rose, Willie Rouse, Rommie Clark, Gene Neff, and Jim Flynn.

Georgia Wins SEC Swim Crown; Florida Second

He lowered the 400-yard freestyle record, set in 1949 by John Hiles of Tech, from 5:01.3 to 5:01.2. Jim Enyarts' time for the 100-yard backstroke, set last year, was clipped by 2.6 seconds and Patterson's time of 2:16.1 for the 200-yard freestyle established another new record.

Guyer broke both breaststroke records in qualifying heats and later erased his own marks. He finished with the time of 1:01.3 in the 100-yard and 2:22.6 in the 200-yard.

The only other record to fall was set by Florida's Barney Hufferford in winning the 1,500 meter race in 20:14.5.

Kentucky entered a man in each event but none of Coach Algie Reece's men finished near the top. Louis Karibo, diver, placed among the top six in both high and low board events and Harold Eaton found his way to the finals in the 150-yard individual medley, and the 100-yard freestyle. Eaton came in fifth in the medley and sixth in the freestyle event.
